NPTEL Local Chapter (4573) Report 2021-2022

SWAYAM is the National MOOCs portal being developed by MHRD, Govt. of India. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. In order to ensure best quality content is produced and delivered, seven National Coordinators have been appointed under SWAYAM. National Programme on Technology Enhanced Learning (*NPTEL*) is a project of MHRD initiated by seven Indian Institutes of Technology (**Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee**) along with the Indian Institute of Science, Bangalore in 2003. To take this initiative forward and to encourage more students across colleges to participate in this initiative, **SWAYAM-NPTEL has set up local chapters in colleges** (with the approval of the management) which is run **under the headship of a faculty member** of the college, who is the **Single Point of Contact (SPOC)**. The SPOC are kept updated about all the latest NPTEL initiatives and information which he can disseminate among the students. The SPOC can identify suitable mentors for various courses, who can ensure that students are active in a course, are submitting their assignments on time and also clarify the doubts they may have. Our college has enrolled to NPTEL Swayam IIT Bombay and has been assigned **LOCAL CHAPTER with LC ID 4573**. On behalf of our college **Prof. Resham Bhalla, the Coordinator of NPTEL Swayam course of our college has enrolled as single point of contact (SPOC) for this course. The enrollment for different courses of NPTEL was made open for JAN-APR 2022 period. Courses delivered through SWAYAM are available free of cost to the learners. The learners who want a SWAYAM certificate have to register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. The list of all courses had been forwarded on the college group from time to time.**
