ABOUT THE CONFERENCE

It is a matter of great pleasure to invite you to participate in two days International Conference on "Innovations in Teaching, Learning and Evaluation in Higher Education, (ICITLE-2019)" which is being organized by Loknete Vyankatrao Hiray Arts, Science and Commerce College, Panchavati, Nashik 422003 and is sponsored by Planning and Development Section, Savitribai Phule Pune University, Pune.

The conference is aimed at those working in all sectors of education and training and who are committed to quality education and performance improvement of teachers and students. In this conference, internationally renowned scholars and practitioners will share their experiences, best practices and innovative approaches in teaching, learning and educational evaluation and assessment. The conference will be a key event for the teachers, students and policy makers to discover the fresh perspectives and current trends on teaching learning and assessment processes in various educational settings.

Along with teaching and learning the assessment and evaluation have always been integral parts of the educational process. Quality and purposeful assessment can assist in students' learning and their achievement. Education systems that are successful in linking the national curriculum and assessments directly to international standards are performing better globally. Hence, hereby, the researchers, academicians and students are being encouraged to participate and present their work by submitting through abstracts and papers.

SCOPE OF THE CONFERENCE

This conference will focus on teaching, learning and evaluation and set up an interdisciplinary top-level coordinated network to define innovation and excellence in higher education. In this, the aim of conference is to bring together educational scientists, administrators, counsellors, teachers, graduate and post graduate students to discuss innovative ideas and implications of innovative teaching, learning and evaluation in a scientific environment. The Conference will cover the broad area of topics relating to Innovations in Teaching, Learning and Evaluation in Higher Education which include invitee talks, Papers and Poster presentations in Arts, Commerce, Science, Education and so on.

ABOUT THE INSTITUTE

Mahatma Gandhi Vidyamandir, Nashik was established in the year 1952, under the dynamic leadership of Late Hon'ble Karmaveer Bhausaheb Hiray, a committed freedom fighter, an ardent educationalist and Former Minister for Revenue of Bombay Province. His son Late Hon'ble Vyankatrao Hiray, a great visionary, took over the responsibility of the institution in 1961. Under his visionary approach, M.G. Vidyamandir started a number of schools and colleges imparting education from primary level to higher education, also technical and professional education. Since 1980, Hon'ble Smt. Pushpatai Hiray, Former Minister of Health, Govt. of Maharashtra, and Hon'ble Samajshree Prashantdada Hiray, Former State Minister of Transport and Protocol, Govt. of Maharashtra have been efficiently managing the institution. Hon'ble Dr. Apoorvabhau Hiray, Former MLC, Maharashtra State has been taking extraneous efforts to enhance the quality of education in the era of competitive globalization. At present, 110 educational institutions ranging from primary level to postgraduate and technical to professional level are operational under his able leadership. The devotional motto of the institute is "Bahujaan Hitay, Bahujaan Sukhay" is to provide the educational facilities to the students coming from all spheres of urban, rural & tribal areas and to empower them to become successful, sensitive and responsible citizens of the Indian Nation.

ABOUT THE COLLEGE

Loknete Vyankatrao Hiray Arts, Science and Commerce College, Panchavati, Nashik, is a leading Institute in Nashik ever since its establishment in 1971. The present strength of more than 6000 students reflects the academic excellence of the college, which is reaccredited with 'A' Grade by NAAC and has been recognized as the "Best College" in 2016-17 by Savitribai Phule Pune University, Pune. The college possess excellent infrastructure, highly qualified faculty who are performing creditable work in the field of research and extension are also appreciated by all the stakeholders. Through this conference, we all, therefore take an opportunity to invite the eminent academicians, delegates, researchers, industrial personnel and students to share and exchange their knowledge and views in the field of "Innovations in Teaching, Learning and Evaluation in Higher Education". We are very optimistic that the outcome of this conference will be very productive and shall certainly help one and all taking active participation in conference towards nation building activities.

Two days International Conference on "Innovations in teaching, learning and evaluation in higher education" was organized by L. V. H. Arts, Science & Commerce College, panchavati, Nashik, Maharashtra (India) (affiliated to S. P. Pune University, Pune) The conference is inaugurated and started with a welcome note by Hon'ble B. K. Deore (vice Minister of Health of Mahatma Gandhi Vidyamandir, Nashik). He welcomed all the delegates contributing in this Conference from different corners of the globe and also briefed about the objectives of the conference and the vision of the Society. The conference is prefaced by Dr. T. B. Pawar Co-ordinator of the

conference, he discussed aim of the conference, it is to explore new innovative pedagogical methods that should incorporate to meet academic needs of the students. The deliberations in the conference would bring about many innovative perspectives that would lead to the welfare of student community in particular and human society at large.

The chief guest, Dr Omprakash Kulkarni (Scientist, Mentor, Advisor, Technology Provider and Consulting Engineer in Automation National Space Society (NASA)-USA Certified Space Ambassador) in his key note address discussed the various issues on innovations in teaching, learning and evaluation in higher education. Mother is the first teacher, and the source of value education in life. The role of teacher has to change drastically in the world of globalization. The teacher has to play the role not only of a good teacher but also of a loving and caring mother mentor and guide. He said to educate is to find the hidden talent to the student and nature it to blossom and flourish. One must always search for innovativeness and the innovations in teaching, learning and evaluation, shapes the personality of the students and prepares him to face the challenges of the brave new world.

On the day first 23rd January 2019 the Technical session-1 started with an invited talk delivered by **Prof. Galuh Dwi Ajeng, S.Pd., M.Pd. (STKIP PGRI Bandar Lampung, Indonesia)** the title of the talk was cooperative learning method in attracting heterogeneous students' attention in reading class. She was discussed as one class usually consists of various type of students who come from different culture, religion, social and many more. These variations creating heterogeneous students. To deal with this diversity, teachers should choose an appropriate teaching method for their EFL students. Knowing this situation, the study about a method named cooperative learning method is conducted to find one of ways in helping teacher finding the best solution. Hence, this study is about cooperative learning method that is used as a tool to teach heterogeneous students in reading class. The aim of this study is exploring a question about how cooperative learning attracts heterogeneous students that come from different background of culture in reading class.

In technical session-2, **Prof. Md Aish Ah Hajash, Yemen**, gave the invited talk on the topic, Pragmatic Approach in Teaching & Learning the English Language. The researcher has used the pragmatic approach to highlight all those cultural impacts and explained the importance of making Yemeni teachers aware of this approach. Culture can really play an important role in the quality of English one has to learn and

teach so the researcher has attempted to find out a remedial method to get rid of all the confusion that culture causes

In Session-3, an invited talk was delivered by **Aksendro Maximilian STKIP PGRI, Bandar Lampung (Institute of Teachers Training and Education of PGRI Bandar Lampung)** on Placing Culture in English Language Teaching.

The Session 4 included the invited talk of **Prof. Dr. V R Shinde (Head, Department of Psychology SPPU, Pune)** on the topic “Effective Teaching, Learning and Evaluation Skill in Higher Education”

Dr. Walmik Shirsath Karm.A.M. Patil Arts,Comm. and Kai. Annasaheb N.K. Patil Science Senior College,Pimpalner, Tal. Sakri, Dist. Dhule,(NMU Jalgaon) chaired this session along with 6 oral presentations were made.

The second day 24th January 2019, of the conference commenced with technical session 5 with an invited talk given by **Rupak Muhammed Nasrullah Zaidi HR, Training & Org Development Specialist Dhaka, Bangladesh** on the topic “Higher Education: Past-Present-Future”. In his talk he expressed ‘Innovations in Teaching, Learning & Evaluation in Higher Education’. The meaning may be coated like ‘Innovations in 3 different components i.e. Teaching, Learning and Evaluation of Higher Education’. Let us focus on these areas:Teaching! Teaching is the process of attending to people's needs, experiences and feelings, and intervening so that they learn particular things. Learning is about how we perceive and understand the world, about making meaning (Marton and Booth, 1997). But ‘learning’ is not a single thing; it may involve mastering abstract principles, understanding proofs, remembering factual information, acquiring methods, techniques and approaches, recognition, reasoning, debating ideas, or developing behaviour appropriate to specific situations; it is about change.

The invited speaker of session 6 was **Prin. Dr Chandrakant Borse (M. V. P. Samaj's Vitthalrao Hande College of Education, Nashik)** and his topic was “Innovative strategies of teaching, learning and evaluation in higher education; Role of Teacher”.

In Session -7 the invited speaker was **Dr. Rupali Khaire, (Director, M. G. V's Institute of Management and Research, Panchavati, Nashik)**. Her topic was entitled “Innovations in Teaching Practices”. In last session 20 papers were presented by the delegates.

The Conference concluded with Valedictory Session It was chaired Hon'ble Principal Dr. C. G. Digavkar' wherein the certificates were distributed to all the

participants. Dr. Kishor Nikam proposed a vote of thanks to all delegates, Organizing and Technical Committees for smooth conduct and huge success of ICITLE-2019. The two day proceedings of the Conference were nicely and successfully managed by convenor vice prin. Dr. A. V. Patil.
