(Coordinator, Science Association)

Organized

By

Science Association

Background of the Workshop:

Loknete Vyankatrao Hiray Arts, Commerce and Science College Panchavati Nasik, made a committee of “science association” for the development of scientific temper among the students. The science association was aspiring to develop scientifically informed, caring and responsible individuals who can think critically and make informed choices about themselves, the environment and society. The part of these science associations organizes the different programmes during the academic year. National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman effect by Indian physicist, **Sir Chandrashekhara Venkata Raman** on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.

Information about the programme:

This programme was inaugurated by Mr. Ravindra Shastri and Mr. Ashish Patil who specially worked on filing the patent. The function was chaired by Principal Dr. B. S. Jagdale and vice Principal Dr. A. V. Patil guided the students. The chairman of the science association Dr. T. B. Pawar prefaced the programme. Mr. Ravindra Shastri and Mr Ashish Patil guided the faculties and students about types of patents and taking care of when it to be filed. They suggested, do not to file it online and much more information regarding the patent was discussed. Speakers also discussed the importance of intellectual property rights. They encouraged faculties and students of the college to file their innovative ideas in the form of patents.
