DEPARTMENT OF AUTOMOBILE TECHNOLOGY

Two Year Advanced Diploma in Two Wheeler Technology

Annual Report – 2021-22

The department of Automobile Technology runs Advanced diploma in two wheeler technology course that was established in A.Y.2018-19. Course is run under National Skills Qualifications Framework (NSQF) Approved by University Grants Commission (UGC) & SPPU, Pune. The course is affiliated to Savitribai Phule Pune University (SPPU) Pune. The department refers to skill based practical & theoretical knowledge in the field of Automobiles.

This course is two year advanced diploma program with the minimum eligibility requirement being 10 + 2 from a any stream. Department has well equipped Automobile workshop with practical oriented automobile components & Automobile systems.

Completion of this course enables students gets employment in the field of Automotive sector or students becomes self employed.

Our aim is to provide updated knowledge from very basics theory & practical work in today's competitive world. This course includes the study related to Automobile components, parts, systems its working, repairing & maintenance etc. Department continuously works for development of course contents with inclusion of recent trends in automobile sector so as to make it highly practice oriented. The Syllabus of the course was designed by the faculty in the Department of Automobile Technology. The syllabus was based needs of the students and covered the topics that will enable students in Automobile Technology. The course consists of Theory, Practical, Task and Activities. There were Thirty students admitted for the course. All of them could successfully complete the course. At the end of the course the examination was conducted and the qualified students were given certificates.

We arranged Industrial Visits and On Job Training ( OJT) in various Automobile companies, Dealers, Private Workshops for updated technology and Practice to students,

The Faculty members of the Department -Mr. R. S. Waghchoure Sir, Shri Bhushan Chakor Sir also worked as the Coordinator of the Course.

DEPARTMENT OF AUTOMOBILE TECHNOLOGY  
Two Year Advanced Diploma in Two Wheeler Technology  
ANNUAL REPORT - 2020-21

- ❖ The department of Automobile Technology runs Advanced Diploma in two wheeler technology course that was established in A.Y.2018-19. Course is run under National Skills Qualifications Framework (NSQF) Approved by University Grants Commission (UGC) & SPPU, Pune. The course is affiliated to Savitribai Phule Pune University (SPPU) Pune. The department refers to skill based practical & theoretical knowledge in the field of Automobiles.
- ❖ This course is two year advanced diploma program with the minimum eligibility requirement being 10 + 2 from a any stream. Department has well equipped automobile workshop with practical oriented Automobile components & automobile systems.
- ❖ Completion of this course enables students gets employment in the field of automotive sector or students becomes self employed.
- ❖ Our aim is to provide updated knowledge from very basics theory & practical work in today's competitive world. This course includes the study related to automobile components, parts, systems its working, repairing & maintenance etc. Department continuously works for development of course contents with inclusion of recent trends in automobile sector so as to make it highly practice oriented.
- ❖ The Syllabus of the course was designed by the faculty in the Department of Automobile Technology. The syllabus was based needs of the students and covered the topics that will enable students in Automobile Technology. The course consists of Theory, Practical, Task and Activities.
- ❖ We arranged Industrial Visits and On Job Training ( OJT) in various Automobile companies, Dealers, Private Workshops for updated technology and Practice to students,
- ❖ There were Twenty Eight students admitted for the course. All of them could successfully complete the course. At the end of the course the examination was conducted and the qualified students were given certificates. The Faculty members of the Department -Mr. R. S. Waghchoure, Chetan Nikam Sir, Shri Bhushan Chakor Sir, Shri Sanket More Sir also worked as the Coordinator of the Course.

**DEPARTMENT OF AUTOMOBILE TECHNOLOGY**

**Two Year Advanced Diploma in Two Wheeler Technology**

**Annual Report - 2019-20**

The department of Automobile Technology runs Advanced Diploma in two wheeler technology course that was established in A.Y.2018-19. Course is run under National Skills Qualifications Framework (NSQF) Approved by University Grants Commission (UGC) & SPPU, Pune. The course is affiliated to Savitribai Phule Pune University (SPPU) Pune. The department refers to skill based practical & theoretical knowledge in the field of Automobiles.

This course is two year advanced diploma program with the minimum eligibility requirement being 10 + 2 from a any stream. Department has well equipped automobile workshop with practical oriented automobile components & automobile systems. Completion of this course enables students gets employment in the field of automotive sector or students becomes self employed.

Our aim is to provide updated knowledge from very basics theory & practical work in today's competitive world. This course includes the study related to automobile components, parts, systems its working, repairing & maintenance etc. Department continuously works for development of course contents with inclusion of recent trends in automobile sector so as to make it highly practice oriented.

We arranged Industrial Visits and On Job Training ( OJT) in various Automobile companies, Dealers, Private Workshops for updated technology and Practice to students, The Syllabus of the course was designed by the faculty in the Department of Automobile Technology. The syllabus was based needs of the students and covered the topics that will enable students in Automobile Technology. The course consists of Theory, Practical, Task and Activities.

There were One student admitted for the course. All of them could successfully complete the course. At the end of the course the examination was conducted and the qualified students were given certificates. The Faculty members of the Department -Mr. R. S. Waghchoure, Shri Solapure Sir, Chetan Nikam Sir also worked as the Coordinator of the Course.

**DEPARTMENT OF AUTOMOBILE TECHNOLOGY**  
**Two Year Advanced Diploma in Two Wheeler Technology**

**Annual Report - 2018-19**

- The department of Automobile Technology runs Advanced Diploma in two wheeler technology course that was established in A.Y.2018-19. Course is run under National Skills Qualifications Framework (NSQF) Approved by University Grants Commission (UGC) & SPPU, Pune. The course is affiliated to Savitribai Phule Pune University (SPPU) Pune. The department refers to skill based practical & theoretical knowledge in the field of Automobiles.
- This course is two year advanced diploma program with the minimum eligibility requirement being 10 + 2 from a any stream. Department has well equipped. Automobile workshop with practical oriented Automobile components & Automobile systems.
- Completion of this course enables students gets employment in the field of Automotive sector or students becomes self employed.
- Our aim is to provide updated and new Technology knowledge from very basics theory & practical work in today's competitive world. This course includes the study related to Automobile components, parts, systems its working, Repairing & maintenance etc. Department continuously works for development of course contents with inclusion of recent trends in Automobile sector so as to make it highly practice oriented.
- We arranged Industrial Visits and On Job Training ( OJT) in various Automobile companies, Dealers, Private Workshops for updated technology and Practice to students,
- The Syllabus of the course was designed by the faculty in the Department of Automobile Technology. The syllabus was based needs of the students and covered the topics that will enable students in Automobile Technology. The course consists of Theory, Practical, Task and Activities.
- There were Five students admitted for the course. All of them could successfully complete the course. At the end of the course the examination was conducted and the qualified students were given certificates.
- The Faculty members of the Department -Mr. R. S. Waghchoure , Shri.Umesh Solapure , also worked as the Coordinator of the Course.
