## Objective of the Programme

- To encourage new students to familiar with competitive exam like NET/SET/ GATE.
  culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.
- The Syllabus orientation through online lecture by experts.
- To familiarize students with these exams conducted by CSIR AND NTA.
- Explore the student's educational hub to prepare said exam.

**The Loknete Vyankatrao Hiray Arts, Science, and Commerce College of Mahatma Gandhi Vidyamandir, Panchavati, Nashik, has been in functioning for 50 years and is celebrated its Golden Jubilee Year 2021-22.**

The Department of Chemistry hosted an Online lecture through online mode Program for P.G./ NET/SET/ GATE aspirants on topic of green chemistry. In this lecture **Dr Gajanan G. Mandawad** explained very well lucid manner with Green Chemistry. Dr. Mandawad started with synthetic and green chemistry approach, a technology reduces or eliminates the use of hazardous chemicals in cleaning, this technology would be classified as green chemistry if it did not contain any environmental contaminants. Technology. One example is the substitution of a hazardous sorbent [chemical] used to capture mercury from the air for safe disposal using a non-hazardous but effective method sorbent. When the non-hazardous sorbent is used, the hazardous sorbent is never used. As a result, the remediation technology meets the definition of green chemistry. He also emphasized the 12 principles of Green Chemistry,

The 12 principles of green chemistry. These principles demonstrate the breadth of the green chemistry concept:

1. Reduce waste: Create waste-free chemical syntheses. There will be no waste either treat or clean up

2. Maximize atom economy: Design syntheses so that the final product contains the greatest possible proportion of the starting materials Waste few or no atoms.

3. Create less dangerous chemical syntheses: Design syntheses to use and produce substances with low or no toxicity to humans or the environment

4. Create safer chemicals and products: Create chemical products that are fully recyclable. effective while posing little or no toxicity

5. Avoid us by using safer solvents and reaction conditions. And so on

He also explained the green chemistry importance in pharmaceutical industry and gives briefly to green chemistry application.

For this lecture more than 68students join with different region through the Maharashtra.

The Department of Chemistry hosted an Online lecture through online mode Program for P.G./ NET/SET/ GATE aspirants. In this lecture **Dr Baliram S. Hote** explained very well lucid manner with Heterocyclic Chemistry which is every time asked in NET/SET/GATE Examination. He elaborate the heterocyclic compounds - Heterocyclic chemistry focuses on unsaturated derivatives in particular, with unstrained 5- and 6-membered rings accounting for the majority of research and applications. Pyridine, thiophene, pyrrole, and furan are among the compounds included. Those fused to benzene rings are another significant type of heterocycles. Quinoline, benzothiophene, indole, and benzofuran, for example, are fused benzene derivatives of pyridine, thiophene, pyrrole, and furan, respectively. A third major class of chemicals is formed by the fusing of two benzene rings. Acridine, dibenzothiophene, carbazole, and dibenzofuran are analogues of the previously listed heterocycles for this third family of chemicals.

He explained Heterocyclic rings systems that are formally derived through fusion with other rings, carbocyclic or heterocyclic, go under a variety of names. Pyrole, for example, produces indole or isoindole depending on the orientation of benzo-fused unsaturated nitrogen heterocycles. Quinoline or is quinoline is a pyridine analogue. Benzazepine is the preferred name for azepine. Carbazole, acridine, and dibenzoazepine are examples of molecules with two benzene rings fused to the core heterocycle. Thienothiophene is made up of two thiophene rings fused together. Phosphaphenalenes are a heterocyclic tricyclic phosphorus-containing system generated from the carbocycle phenalene.

For this lecture more than 100 students join with different region through the Maharashtra.

## Department of Zoology

4th October 2021

In the Occasion of International Zoology Day, Department of Zoology organised guest lecture for **Dr. Rekha Bhadane** Associate Professor, Department of Zoology M. G. V's Loknete Vyankatrao Hiray Arts, Science and Commerce College, Panchavati Nashik delivered his lecture on "**Ecologist and Marine Biologist**" which were useful to all the Under Graduate and Post Graduate students of the department. During his lecture, he tried to cover all the aspects and made all the doubts clear regarding this topic and it was a very informative towards the competitive exam preparation. 42 participants marked their presence for lecture.

Principal Dr. B S Jagdale in his inaugural speech appealed the students to prepare themselves for accepting the challenges of life. Dr. Pragati Marakwar, Coordinator, Competitive Exam Cell gave the introduction and highlighted the objectives behind organizing the lecture. Prof. Dr. Mrunal Bhardwaj, IQAC Coordinator also extended their warm welcome to all the participants who joined this lecture.

**Following are the important topic which were covered in the session.**

**Ecologist and Marine Biologist**

Ecologists collect and analyse data and develop solutions to environmental problems. They study the interactions between different organisms and the physical environment in which they live, including factors such as climate, geology and land use. They use their findings to develop conservation and management plans to protect and preserve ecosystems. Ecologists also collaborate with other scientists and government agencies to educate the public about the importance of environmental conservation.

The primary duties of a marine biologist include conducting research on marine organisms, such as fish, marine mammals and invertebrates, and monitoring and studying the ocean's physical and chemical properties. They often conduct fieldwork, which may involve collecting samples, taking measurements and conducting surveys of marine life. Marine biologists also analyse data, write reports and publish research in scientific journals. They also

use data to understand the ocean's role in the planet's ecosystem and how it affects climate and weather patterns.

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening remark of the lecture. Dr. Mrunali Dhivar gave the introduction of the resource person. Mr. Lalit Tank engaged the session and Miss. Komal Jagzap proposed a vote of thanks at the end of the session. All the faculties of the department also shown their presence by attending the session and the students were present in large numbers for this lecture.

**Department of Geography**

**Organized**

**A State Level Webinar on the occasion of 11th July World Population Day**

**Topic: 'Youth of India & Career'**

## Report

Mahatma Gandhi Vidyamandir's Loknete Vyankatrao Hiray College, Nashik, has completed 50 years since its inception therefore on the occasion of **Golden Jubilee Year Celebration 2021-22** & **World Population Day**, Department of Geography and BoS Geography (MGV) in collaboration with Internal Quality Assurance Cell and Broad of Students' Development of College had jointly organized One Day Online Webinar on **"Young India & Career"** on 11 July 2021.

**Dr. Subhash Nikam**, Trustee (MGV) & Principal KBH College, Nimgaon, in his Presidential address said "For country's overall progress the roll of Youth is very seminal therefore youth must be ready for the hard work more the development of any country solely depends on the youth as they carry forward the works of past generations." He further added, "rather than relying on the government jobs, youth must focus on creation of jobs through various business opportunities and for this out of the box thinking is required. We all must learn to utilize the sources available to us more for economic progress of country production and employment generation both co-related."

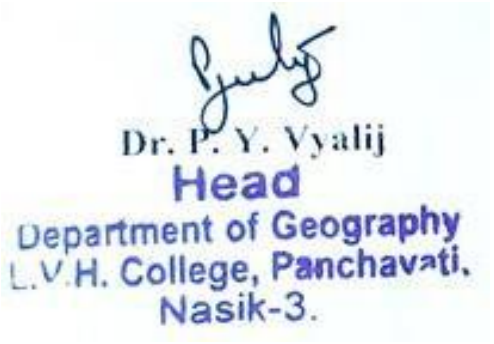

The main speaker of the programme Prof. Bhagvan Pagar highlighted the current situation of Indian Youth. He catalogued advantages and disadvantages of youths and lack of employment opportunities for the youths, this is very detrimental for a country which has the highest number of Youths population, overall population of the Youth comprises of more than 60%. We must channel this energy in proper direction otherwise the repercussion will be very detrimental for India. Today's time have changed hence youth must be aware of present scenario and future as well. Moreover, maintaining good character and principles is the need of the hour in present era." He advised students that they must not engaged in demeaning values such as corruption, lethargy and bad habits additionally everyone must have goals in their lives which will motivate them. Furthermore the needs and requirements of the Urban andRural youths are different but they must come together to make India a world power.

The inaugurator Dr. Anil Patil, Principal of ASC College, Manmad and Dean, Science and Vocation said "We must plan how we are going to resolve the future emerging issues of overpopulation more be prepared to provide food and jobs for exponential future population. Dr. B. S. Jagdale, Principal, LVH College, Nashik gave is best wishes to the programme and Prof. Dr. Mrunal Bhardwaj, Dean, Humanities (MGV) and IQAC Coordinator and Dr. C. M. Nikam, BoS Geography (MGV) Chairman said that to guide the youths we need to organize

MPSC Guidance Workshop: 2021-2022

Date: 12 January 2022

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts, Science and Commerce College Panchvati Nashik-03 Department of Marathi organized MPSC Guidance Workshop on 12 January 2022. On the occasion of MPSC Guidance Workshop Dr. Prakash Shewale He touched many topics in his lecture. Students and their parents always have the question of how to prepare for competitive exams from class 10th and 12th. Students who are in 10th and 12th standard. If they do MPSC during the summer holidays. Or they can get the right direction if they take admission in the foundation course conducted for UPSC. After this the candidates who have been successful in the competitive examination. It is necessary to contact them and take guidance from them. At the same time, the successful candidates should listen to the guidance lectures. His interviews published in various magazines, newspapers, periodicals should be read. UPSC There are two books available in the market, 'IAS Planner' and 'MPSC Planner' for MPSC, on what exactly this exam is. Read it. This will clear all your doubts regarding this exam. Screening exam is conducted for admission to various courses and selection for various government services. The number of students giving these exams has increased significantly. Hence the difficulty level of these exams has been increased. If preparation for these competitive exams is done from 10th, 12th then it is possible to get early success. He expressed his thoughts on the subject of advanced study tools. You can get all the information and guidance you need through the internet. A lot of information regarding the competitive exam is available on many websites and YouTube. Elocution and writing style should be improved. Writing style should be good for any exam. Some papers for competitive exams are descriptive. Therefore, students' handwriting should be beautiful. It can be developed. Effective writing skills can be improved through the five principles of writing, thinking, reading, thinking and hard work. Students should prepare according to the interview from 10th, 12th. For that they should improve their communication skills.Develop a good writing style. Writing is mainly used for the subject paper essay. Because essay writing helps you score more marks. Reading of many books and

materials is necessary while preparing for writing. Your writing skills can be developed from childhood with practice.

Many people have to attempt four to five times to crack the competitive exam. The number of students who succeed in first or second attempt is negligible. Many students turn to competitive exams after completing four-five years of courses after 12th. Therefore, their preparation starts late and they cannot achieve success quickly as they study for four to five years. B.A.B. Com, B.Sc. If the students taking admission in such courses start the competitive exam course from class 10th, 12th then almost 50 percent of the students will have completed the competitive exam study by the time of graduation and such students pass in the first or second attempt. Students who become officers at an early age can easily rise to the highest ranks.

Prof. Kalpana Nikam while guiding the students said that to join the administrative service students have to face competitive exams. But students should be prepared to work hard for this exam. There are many questions in the minds of students like how to study for UPSC, MPSC competitive exams, what is the format of these exams, what is the age limit, how should the study be planned. Although it is a challenging field that needs to be studied in a planned way, it is not difficult to get success in competitive exams if you study in a planned manner. If you start studying for competitive exams along with any degree course, the foundation is solid and it is not difficult to study the main exam later. You have the text book for all other exams. But there is no such specific textbook for competitive exams. Course is offered. It is in broad form. Everything that falls into it, related to it can be asked in the exam. Then see the old question papers. To understand what kind

of questions are asked, learn to think about the problem! How you think is important while Studying for competitive exams. So try to ensure the meeting of your thoughts. You should be able to connect all the surrounding events and transitions with your studies. How and what to study along with what not to study should also be kept in mind. Attention should be drawn to country level issues. The mind must rush to find the context. Instead of just reading the news in the newspaper and giving up, we should try to increase our study, memory and knowledge by finding the context behind the news. Only then you can truly crack these exams and achieve success.

PHOTOSYNTHESIS
Is the process by which autotrophic organisms use light energy to make sugar and oxygen gas from carbon dioxide and water
Occurs in plants, algae and some prokaryotes
Anabolic (small molecules combined)
Endergonic (stores energy)
Stored as carbohydrate in their bodies.

The Department of Zoology and Botany (Life Science) of the college took the initiative to organize online Lecture series on NET-SET Competitive Examination. **Dr. Sagar S. Sakale, faculty at NSB College, Nanded was invited as resource person for the second day of the online lecture series of NET/SET Competitive Examination on 23rd August 2021.** Mr. Sakale delivered lecture on the topic of **DNA Replication,** wherein he discussed about the detailed structure of DNA, types of DNA, Dispersive, Conservative and Semiconservative DNA Replication and also made efforts to put certain questions for students, according to the NET/ SET paper pattern.

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening remark of the lecture series emphasized that competitive exams such as NET-SET requires patience and concentration and he also motivated students to appear in large number in such competitive examination, he also emphasized to become teacher as teaching is a noble profession.

Mr. Lalit Tank gave the brief introduction of the Resource Person **Dr. Sagar S. Sakale,** and Prof. Resham Bhalla proposed a vote of thanks for the higher authorities of the Institute, administrative authorities of the college, resource person, faculties of the department and above all the participants for whom this series are organized. All the faculties of the department were present throughout the session and students were present in large numbers for this online lecture series.

The Department of Zoology and Botany (Life Science) of the college took the initiative to organize online Lecture series on NET-SET Competitive Examination. **Mr. Ziyaurrahman Zakir Husain, faculty at MSG College, Malegaon Camp, Malegaon. was invited as resource person for the fourth day of the online lecture series of NET/SET Competitive Examination on 24th August 2021.** Mr. Ziyaurrahman Zakir Husain delivered lecture on the topic of **Molecular and their interaction relevant to biology**, wherein he explained the detailed structure of Carbohydrates and Proteins, DNA and RNA forms involved in the synthesis of proteins.

Dr. Sunil D. Patil, Head, Department of Zoology, in his address to the participants took efforts to inspire and motivate the students to take any competitive examination very seriously and asked them to put their hard earnest efforts for getting success in examination whether it is a competitive examination or your regular examination. He also stressed that examination is an examination of whatever kind it may be.

Dr. Rekha Bhadane gave introduction of the resource person Mr. Ziyaurrahman Zakir Husain. Mr. Lalit Tank compered the program and Prof. Resham Bhalla proposed a vote of thanks for the higher authorities of the Institute, administrative authorities of the college, resource person, faculties of the department and above all the participants for whom this series are organized. 2. Specificity: They show specificity i.e. only a specific enzyme can act on a particular substrate. According to the degree of specificity, the specificity of an enzyme is of three types
a) Absolute specificity: means when an enzyme acts on one substrate
b) Relative specificity: when an enzyme acts on a group of related compounds
c) Stereo specificity: When an enzyme action depends on the stereo-chemical configuration ie. if it acts on only one of a pair of optical isomers it is called stereo specificity. e.g. D-amino acid oxidase oxidises D-amino acids & not L-amino acid.
3. Thermosensitivity: They are sensitive to temperature changes. The temperature at which an enzyme works at its best is called optimum temperature. Several enzymes lies between 25°-45°c. At low temperatures the enzyme is ineffective. At high temperatures i.e. above 65°c they are destroyed. Hence enzymes are said to be thermolabile*
4. pH sensitivity: They are highly sensitive to pH changes. They are active at a particular range of pH only. It ranges between 6 to 7.5
5. Reversibility of enzyme reaction: They catalyses reactions in both ways i.e. They act in either direction. It may catalyze the splitting of one molecule into two or unite two molecules into one
6. Team activity: They usually work in co-ordination with each other i.e. in teams

✓ Lactases obtained from saccharomyces fragilis and Torula cremaris and lipases obtained from Candida crypolytica are useful in diary industry.
Enzyme Nomenclature: different kinds of enzymes are named in different ways.
➤ Most often enzymes are named by adding a suffix 'ase' to the root word of the substrate. e.g., Lipase (fat hydrolysing enzyme), Sucrase (breaking down sucrose).
➤ Sometimes the enzymes are named on the basis of the reaction that they catalyse. Example: Polymerase (aids in polymerisation), Dehydrogenase (removal H atoms).
➤ Some enzymes have been named based on the source from which they were first identified. For example, Papayin from papaya.
➤ The names of some enzymes ends with an 'in' indicating that they are basically proteins.For example, Pepsin, Trypsin etc.
Properties of enzymes: Enzymes possess the following properties
1. Catalytic activity: Their catalytic activity is high since a very small amount of enzyme can bring about a change in a large amount of the substrate. e.g. one molecule of the enzyme brings the decomposition of about 600 thousand molecules of hydrogen peroxide / sec to water and oxygen at body temperature.

Prof. Resham Bhalla delivered lecture on **System Physiology- Animal** in which she explained the Blood, its composition, functions, detailed structure of Heart, its conduction, Immunity of the Body, Blood pressure Electrocardiogram and blood group and its types and many more aspects were covered in her very informative lecture. She put her all efforts and explained the topics selected in very simple and understandable way. The participants also asked question and got their queries cleared and liked the session very much and put words of praise for the resource person.

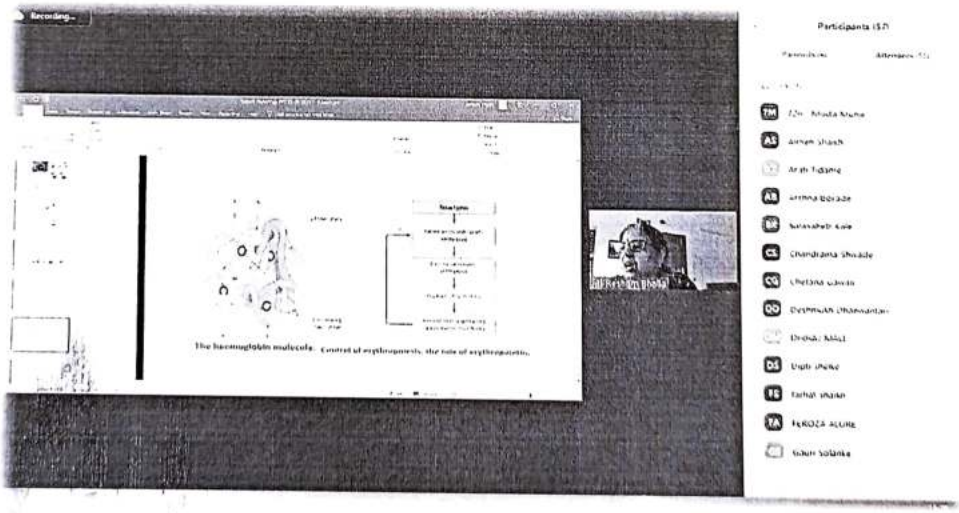

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening address to the participants appealed the participant students to enhance their abilities to listen to the resource person very carefully and grab the contents of the lecture delivered by all the resource persons of the online lecture series organized by the department of Botany and Zoology of our reputed college. He also advised the students to avail the golden opportunity being provided to all the participants free of cost during this pandemic situation.

Dr. Anita Patil gave the very brief introduction of the resource person Prof. Resham Bhalla, as the more time was saved for the resource person to deliver her lecture for the students keeping in view the precious and limited time of the students. Mr. **Suresh Sabale faculty at Department of Botany, LVH ASCC Panchavati, Nashik** was invited as resource person for the sixth day of the online lecture series of NET/SET Competitive Examination on 26th August 2021. Mr. Sabale delivered lecture on the topic of **'Diversity of life forms'**, in which he tried to make the lecture more effective by showing different forms of life through power point presentation. He explained the diversity of different forms of plants ranging from algae through Gymnosperms and wide variety of Angiosperms.

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening address to the participants suggested students to learn the varied aspects of diverse forms of life, he also narrated that the life is very picturesque and surrounded by very beautiful flora and fauna and all of us must develop the habit of learning enthusiastically from the surroundings also as they are many creatures in this universe which can be our guide also.

Prof. Dr. S. B. He covered all the aspects of detailed structure and functions of all cell organelles which will be very useful to the students from their examination point of view. He explained in detail the very basic aspects of cell organization and also emphasized that students must focus on all parameters of cell which is the basic entity of the living organisms.

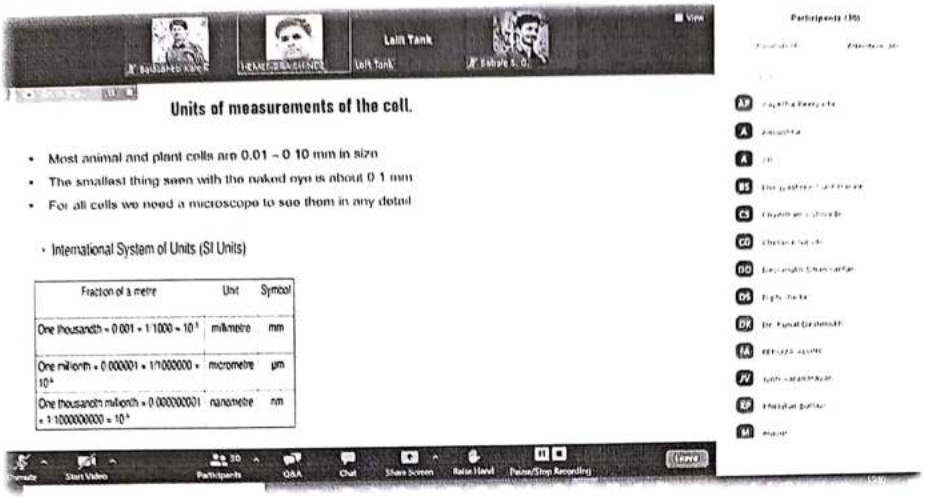

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening address to the participants gave his very useful remarks about the topic chosen by the resource person and guided students to learn the structure of cell and its organelles as students are in the habit of learning hard topics but they just forget to understand the very basic unit of life, the cell. He requested student participants to pay their full attention to learn from the lecture being delivered by the resource person Dr. Hemandra Shinde.

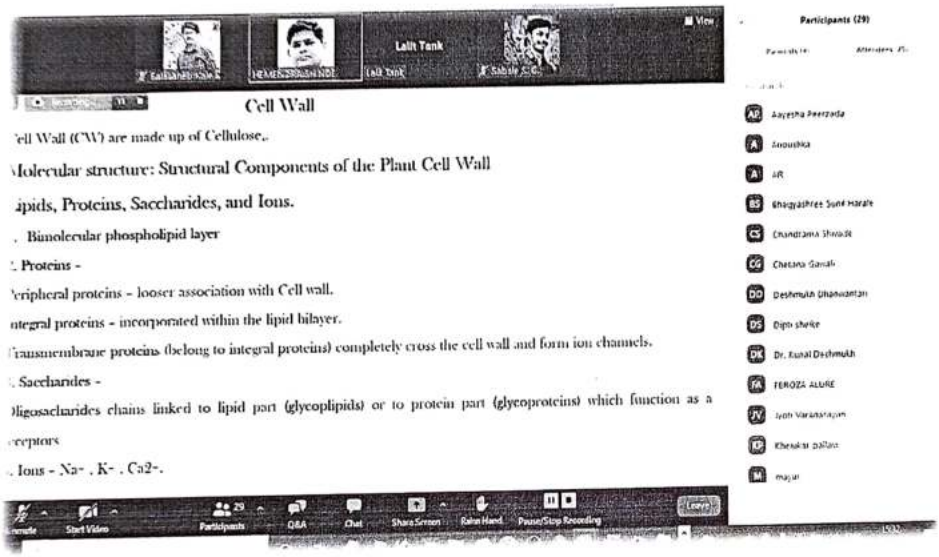

Prof. Dr. S. B. Shisode gave the introduction of the Resource Person, Dr. Hemandra Shinde and appreciated him for accepting the invitation as a resource person. The Department of Zoology and Botany (Life Science) of the college took the initiative to organize online Lecture series on NET-SET Competitive Examination. **Mr. Shantaram Bhoye, Shri Pundlik Maharaj Mahavidyalaya Nandura, Buldana [MS]** was invited as resource person for the tenth day of the online lecture series of NET/SET Competitive Examination on 31st August 2021. Mr. Bhoye delivered lecture on the topic of **Developmental Biology**, in which he dealt with the **Gametogenesis, fertilization and early development:** Production of gametes, cell surface molecules in sperm-egg recognition in animals; embryo sac development and double fertilization in plants; zygote formation, cleavage, blastula formation, embryonic fields, gastrulation and formation of germ layers in animals; embryogenesis, establishment of symmetry in plants; seed formation and germination. In his lecture he tried to solve the difficulties faced by students in understanding the difficult processes occurring during the development of an organism. His lecture was very knowledgeable, informative and lucid. He also arranged interactive session with the students in the form of question answers. He put his all efforts and explained the topics selected in very simple and understandable way. The participants also asked question and got their queries cleared and liked the session very much and put words of praise for the resource person.

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening address to the participants explained the importance of Development Biology as a subject for the students of life sciences and understanding the basic processes occurring during the development of an organism starting in Invertebrates to vertebrates and also in plants. He also emphasized that though this subject may be very tricky to understand but very essential to learn all the phenomena and process required in complete development of an organism. He also appealed the participant students to enhance their

## *Workshop on Competitive Examination*

Date: 11th December 2021

**(Offline)**

Loknete Venkatrao Hiray College is celebrating its Golden Jubilee Year. In regards to it, The College's Competitive Examination Guidance Center in association with Spectrum Academy Nashik had organized a free Competitive Examination Guidance Workshop for all students on "Introduction to Competitive Examination". In this workshop, the students were introduced to various examination conducted by UPSC (Public Service Commission), MPSC (Maharashtra State Public Service Commission). Mr. Sunil Patil, Director of Spectrum Academy, Mrs. Archana Pawar, Coordinator and Ms. Vedika Biswas and Mr. Santosh Jejurikar thoroughly guided the students on the nature and scope of various competitive examinations conducted by the Center and the States.

The principal of the college, Dr. B.S. Jagdale also addressed the students during this occasion. He stated that students should take advantage of this opportunity to ensure their career by participating in this activity by large numbers. He also said that if students prepared for the competitive exams while studying in college, they will have many opportunities after graduation and their dream of becoming a government officer will not take long to come true. In his introductory speech the coordinator of the program highlighted the objectives behind organizing this program. The program was compared by the Student Welfare Officer of the College, Dr. Rakesh Patil. Coordinator Dr. Sandeep Wagh proposed vote of thanks. Dr. Vinit Rakibe, HR and Finance Head, Dr. S.D. Manjrekar, Lect. Swapnil Alhat, Lect. Swapnill Dhatrak, Lect. Sitaram Murkute, all the class coordinators and students were present at large numbers.

**Department of Geography**
**Online Lecture on Career Opportunities in Geography**
**Date: 13 September 2021**
**Report**

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts, Science and Commerce College Panchavati, Nashik, Department of Geography organized Online Lecture on Career Opportunities in Geography on 13 September 2021 , Resource person Mr.Prasanna Sethy stated that A geography degree covers both physical and social science, allowing graduates to pursue fieldwork, research, and desk jobs. Professionals in this field can find work as geographers and urban and regional planners. A degree in Geography can pave the way for a rewarding career if the options are explored wisely. While Geography is a niche subject that can narrow your career options, the ones that you can bag can take you places, literally. Geography offers a very different approach to the problems of the world such as overpopulation, climate change, and urban overspill, among others. With a degree in Geography, you can work in the fields of Consulting, Planning, and Research, where you can use your expertise to collect and analyse data. A degree in Geography entails the study of natural sciences, social sciences, and mathematics. In other words, Geography includes learning about the physical features of Earth as a planet and their effects on humans. Thus, if you have an interest in these subjects, then you must think of majoring in Geography.

However, it is important to note that you can choose your career path depending on whether you take up Physical Geography or Human Geography. Physical Geography is a natural science that focuses on the different elements of Earth. On the other hand, Human Geography refers to a social science dealing with problems within communities and cultures. Mr.Swapnil Dhatrak expressed vote of thanks, all faculty members and 64 participants are present online for the programme.

## Department of Zoology

4th October 2020

In the Occasion of International Zoology Day, Department of Zoology organised guest lecture for **Mr. Lalit Tank** Assistant Professor M. G. V's Loknete Vyankatrao Hiray Arts, Science and Commerce College, Panchavati Nashik our Alumni delivered his lecture on "**Wildlife Biologist, Technician and Nutritionist**" which were useful to all the Under Graduate and Post Graduate students of the department. During his lecture, he tried to cover all the aspects and made all the doubts clear regarding this topic and it was a very informative towards the competitive exam preparation. More than 20 participants marked their presence for lecture.

Principal Dr. B S Jagdale in his inaugural speech appealed the students to prepare themselves for accepting the challenges of life. Dr. Pragati Marakwar, Coordinator, Competitive Exam Cell gave the introduction and highlighted the objectives behind organizing the lecture. Prof. Dr. Mrunal Bhardwaj, IQAC Coordinator also extended their warm welcome to all the participants who joined this lecture.

**Following are the important topic which were covered in the session.**

**Wildlife Biologist, Technician and Nutritionist**

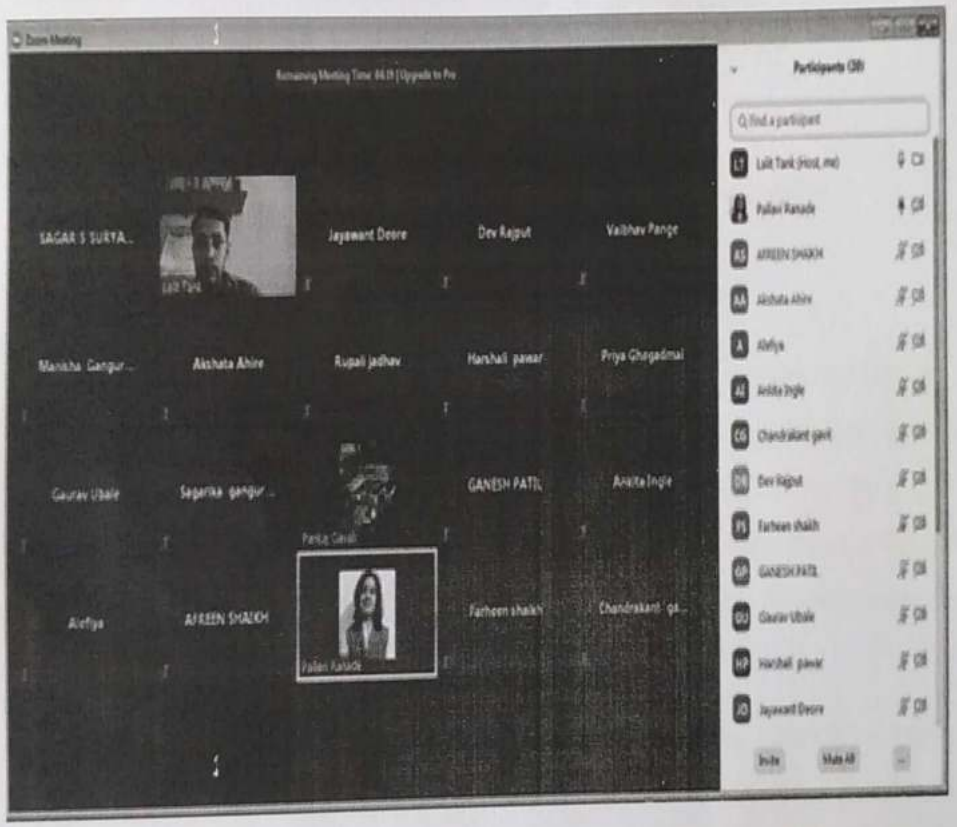

Wildlife biologists observe animal behaviour, collect data on population size and distribution and study the impact of human activities on wildlife populations. After collecting data, wildlife biologists use various tools to analyse the data and draw conclusions about the biology and ecology of the animals they study. They often work with other scientists and government agencies to develop and implement conservation and management plans. They also monitor and manage the population of wild animals in a particular area, taking measures to prevent overpopulation or extinction.

A wildlife technician is responsible for the management and conservation of wildlife populations and habitats. Their primary duties include conducting field research, monitoring wildlife populations and collecting data on species behaviour, distribution and ecology. They also help in the planning and implementation of conservation and management strategies. They

can also be responsible for educating the public about wildlife conservation and management efforts and assisting with wildlife-related emergencies and incidents. Wildlife technicians may also work with other professionals, such as biologists, ecologists and conservationists, to ensure the long-term survival of wildlife populations and their habitats.

Animal nutritionists primarily work on researching the nutritional requirements of different animals. They may conduct laboratory analysis of feed to determine its nutrient content and make recommendations for various types of animal feeds. They can also provide guidance and education to farmers, ranchers and pet owners on proper animal nutrition and feeding practices. Animal nutritionists can work in a variety of settings, such as feed mills, research facilities, government agencies and universities.

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening remark of the lecture. Prof. Dr. Resham Bhalla gave the introduction of the resource person. Miss. Komal Jagzap engaged the session and Miss. Mrunali Dhivar proposed a vote of thanks at the end of the session. All the faculties of the department also shown their presence by attending the session and the students were present in large numbers for this lecture.

# 'वाचनानेच येते समृद्धता, संपन्नता'

प्रतिनिधी | पंचवटी

वाचनाने मनुष्य समृद्ध होतो आणि त्याचे व्यक्तिमत्त्व बहरत जाते. विद्यार्थ्यांनी त्यांच्या आयुष्याला दिशा देणे आवश्यक आहे. आनंदी आयुष्य जगण्यासाठी आयुष्याला बांध घालणे काळाची गरज आहे. रणांगणावर कमी रक्त कमी सांडण्यासाठी शांततेच्या काळात घाम गाळणे आवश्यक असते. असे मार्गदर्शन पोलिस आयुक्त विश्वास नांगरे-पाटील यांनी केले.

महात्मा गांधी विद्यामंदिर संचलित लोकनेते व्यंकटराव हिरे महाविद्यालयाच्या स्पर्धा परीक्षा मार्गदर्शन केंद्राच्या उद्घाटन प्रसंगी प्रमुख अतिथी म्हणून ते बोलत होते. ते पुढे म्हणाले की, भयमुक्त जीवन जगण्यासाठी अन्यायाचा सामना करणे, अन्यायाविरुद्ध उभे राहणे त्याचा प्रतिकार करणे आवश्यक आहे. निर्भया पथकासंबंधीदेखील त्यांनी यावेळी विद्यार्थिनींना विशेष मार्गदर्शन केले. अध्यक्षीय मनोगतातून प्राचार्य डॉ. चंद्रकांत दिघावकर यांनी कर्मवीर भाऊसाहेब हिरे यांचे विचार आजच्या तरुणाईसाठी प्रेरक आहेत त्याचा अंगीकार करून आपले व्यक्तिमत्त्व घडवले पाहिजे. महाविद्यालयाच्या शैक्षणिक प्रगतीविषयी संस्थेची भूमिका विशद केली. स्पर्धा परीक्षा मार्गदर्शन केंद्राच्या केंद्र समन्वयक डॉ. प्रगती मारकवार यांनी प्रास्ताविक केले. महात्मा गांधी विद्यामंदिर संस्थेचे अशोक हिरे, उपप्राचार्य संतोष चौबे, डॉ. किशोर निकम, डॉ. एस. डी. पाटील उपस्थित होते. डॉ. किरण पिंगळे यांनी सूत्रसंचालन केले. डॉ. रवींद्र हिरे यांनी आभार मानले.

विषय:- आपल्या महाविद्यालयात "स्पर्धा परीक्षा कार्यशाळा 2019" आयोजित करणेबाबत.

महोदय,

उपरोक्त विषयांन्वये "IGNITED MINDS FOUNDATION"ही स्पर्धा परीक्षा क्षेत्रात मार्गदर्शन करणारी संस्था आहे. आमच्या संस्थेमार्फत केंद्रीय लोकसेवा आयोग(UPSC), राज्य लोकसेवा आयोग(MPSC), सरळ सेवा, पोलीस भरती व इतर स्पर्धा परीक्षांविषयी मार्गदर्शन केले जाते.

निवडक 30 विद्यार्थ्यांना वर्षभर सखोल व सर्वोत्तम मार्गदर्शन प्रदान करून स्पर्धा परीक्षेत परिपूर्ण तयारी करून घेणारी Result Oriented Batchम्हणजेच "SUPER 30" हे आमच्या संस्थेचे वैशिष्ट्य.

तरी आपण आपल्या महाविद्यालयातील Competitive Exam Guidance Cell या मार्फत राबविल्या जाणाऱ्या स्पर्धा परीक्षा कार्यशाळेसाठी आमच्या संस्थेचे संलग्नीकरण व्हावे.

सदर उपक्रमांतर्गत आपल्या महाविद्यालयातील विद्यार्थ्यांना किमान एक आठवडा स्पर्धा परीक्षेविषयी सर्व विषयांची,स्वरूप,प्रश्नपत्रिका विश्लेषण तसेच संबंधित विषयातील काही घटकांची प्रत्यक्ष अध्यापन केले जाईल.

तरी आपल्या महाविद्यालयातील Compt. Exam Guidance cell बरोबर संलग्नीकरण व कार्यशाळेसाठी आम्हाला परवानगी मिळावी ही विनंती.

धन्यवाद....!

विषय:- आपल्या महाविद्यालयात "स्पर्धा परीक्षा कार्यशाळा 2019" आयोजित करणेबाबत.

महोदय,

उपरोक्त विषयांन्वये "IGNITED MINDS FOUNDATION"ही स्पर्धा परीक्षा क्षेत्रात मार्गदर्शन करणारी संस्था आहे. आमच्या संस्थेमार्फत केंद्रीय लोकसेवा आयोग(UPSC), राज्य लोकसेवा आयोग(MPSC), सरळ सेवा, पोलीस भरती व इतर स्पर्धा परीक्षांविषयी मार्गदर्शन केले जाते.

निवडक 30 विद्यार्थ्यांना वर्षभर सखोल व सर्वोत्तम मार्गदर्शन प्रदान करून स्पर्धा परीक्षेत परिपूर्ण तयारी करून घेणारी Result Oriented Batchम्हणजेच "SUPER 30" हे आमच्या संस्थेचे वैशिष्ट्य.

तरी आपण आपल्या महाविद्यालयातील Competitive Exam Guidance Cell या मार्फत राबविल्या जाणाऱ्या स्पर्धा परीक्षा कार्यशाळेसाठी आमच्या संस्थेचे संलग्नीकरण व्हावे.

सदर उपक्रमांतर्गत आपल्या महाविद्यालयातील विद्यार्थ्यांना किमान एक आठवडा स्पर्धा परीक्षेविषयी सर्व विषयांची,स्वरूप,प्रश्नपत्रिका विश्लेषण तसेच संबंधित विषयातील काही घटकांची प्रत्यक्ष अध्यापन केले जाईल.

तरी आपल्या महाविद्यालयातील Compt. Exam Guidance cell बरोबर संलग्नीकरण व कार्यशाळेसाठी आम्हाला परवानगी मिळावी ही विनंती.

धन्यवाद....!

लोकनेते व्यंकटराव हिरे महाविद्यालय नाशिक

विषय : सामान्यज्ञान स्पर्धा परीक्षेत आपल्या विद्यार्थ्यांना सहभागी करण्याबाबत

महोदय,

करिअर डेव्हलपमेंट अॅकॅडमी या संस्थेची मी सन २००० मध्ये स्थापना केली. या संस्थेच्या माध्यमातून आतापर्यंत २०,००० चे वर उमेदवारांना स्पर्धा परीक्षेच्या संबंधात मार्गदर्शन करण्यात आले असून त्यापैकी ३५०० चे वर उमेवारांची शासकीय सेवेत निवड झाली आहे. या संस्थेच्या माध्यमातून आतापर्यंत आम्ही ७० च्या वर स्पर्धा परीक्षेकरीता उपयुक्त अशी पुस्तके आम्ही लिहीली आहेत. या अनुभवाच्या आधारे कॉलेज जिवनापासून विद्यार्थ्यांमध्ये स्पर्धा परीक्षेच्या तयारीविषयी जागृती करण्याच्या उद्देशाने आम्ही सामान्यज्ञान स्पर्धा परीक्षा घेत आहोत.

सर्वसामान्यत: मराठी व्यक्ती पदवी हातात पडल्यानंतर स्पर्धा परीक्षेच्या तयारीला लागतो. बिहार, उत्तरप्रदेश आणि तामिळनाडू राज्यामध्ये स्पर्धा परिक्षेची तयारी शालेय जिवनापासूनच सुरू केली जाते. यामुळे केंद्रीय लोकसेवा आयोगाची आयएएस आणि आयपीएस सारखी बहुतांशी पदे याच राज्यातील उमेदवार घेवून जातात. महाराष्ट्रामध्ये मात्र बहुतांशी उमेदवार पदवी मिळविल्यानंतर स्पर्धा परीक्षेचे तयारी करण्यास सुरवात करतो. यामुळे आयएएस आणि आयपीएस सारख्या पदामध्ये आपल्या राज्यातील उमेदवारांचे प्रमाण या तुलनेत कमी आहे. शालेय जिवनापासूनच विद्यार्थ्यांच्या मनामध्ये स्पर्धा परीक्षेची तयारी करण्याची बीजे रोवली जावीत हा या उपक्रमाचा आमचा हेतू आणि खालील उद्देश आहेत.

**स्पर्धापरीक्षा राबविण्यामागे आमचे खालील उद्देश आहेत.**

१) विद्यार्थ्यांना राज्य आणि राष्ट्रीय स्तरावरील स्पर्धा परीक्षेची माहिती करुन देणे.
२) स्पर्धा परीक्षेचा अभ्यासक्रम समजावून देणे आणि .
३) विद्यार्थ्यामध्ये स्पर्धा परीक्षेची आवड निर्माण करणे.

सामान्यज्ञान स्पर्धा परीक्षा ही ११ वीपासून ते पुढील सर्व वर्गातील विद्यार्थ्याकरीता खुली आहे. जास्तीत जास्त विद्यार्थ्यांना या परीक्षेत सहभागी होण्याकरिता आपण प्रोत्साहित करावेत ही आपणास नम्र विनंती. **सामान्यज्ञान स्पर्धा परीक्षेचे स्वरूप पुढील पेजवर देण्यात आलेले आहे.**

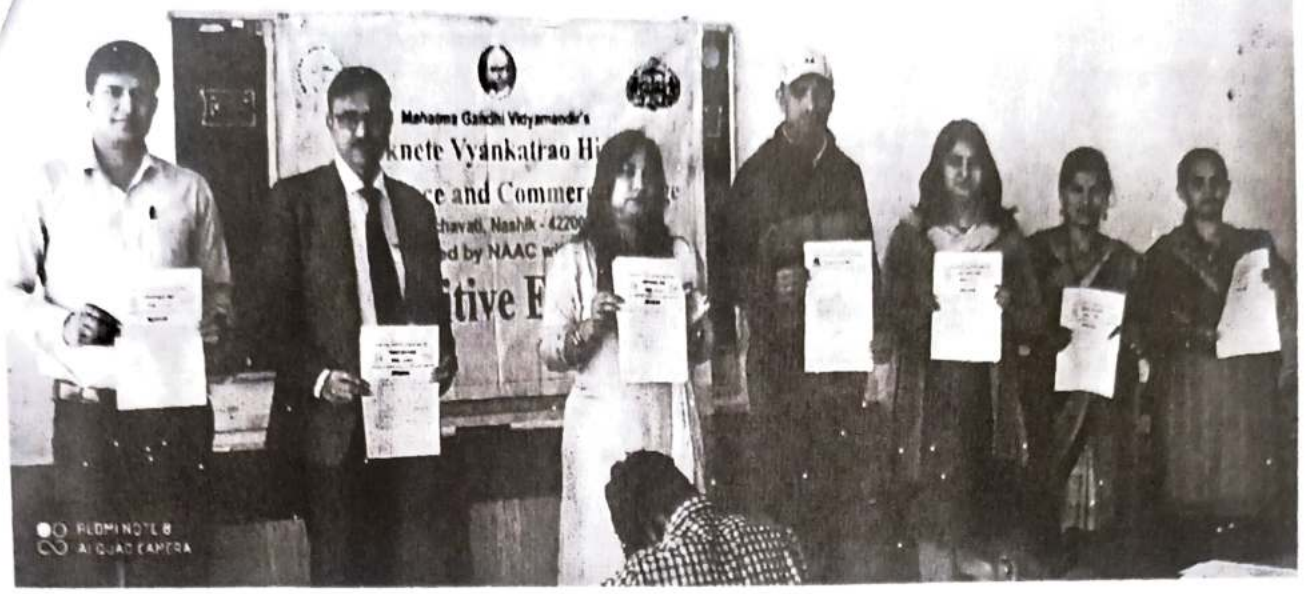

आपल्या सक्रिय सहकार्याबद्दल आम्ही मनापासून आभारी आहोत.

धन्यवाद

To,
The Principal,
Panchwati College of Arts, Commerce & Science,
(Commerce Department), Nashik.

**Subject:** To conduct 2 hour Awareness Seminar on **"Employment opportunities in Banking Sector"**

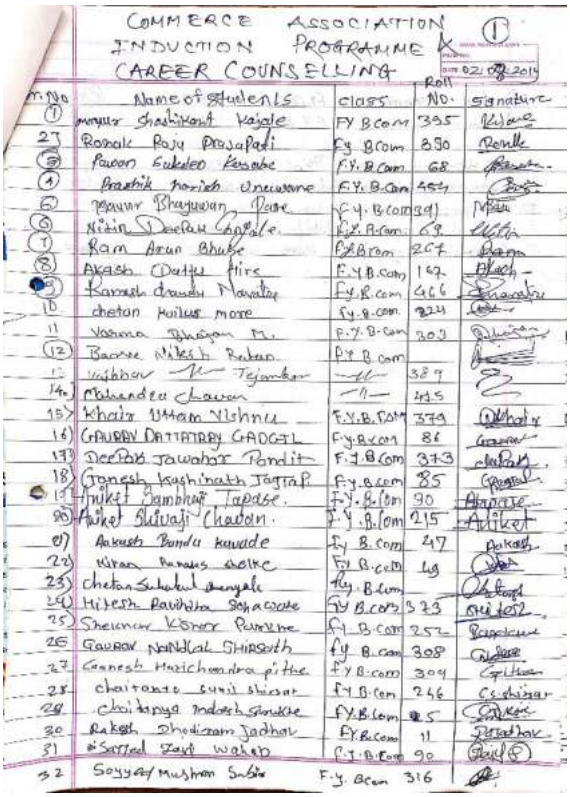

Respected Sir,

I would like to take this opportunity to introduce myorganization to you. I represent Sakar Education which is the premiere institute for Banking Examinations, SSC, Campus Recruitments, MBA etc in Maharashtra. With the growth of opportunities in banking sector, it is observed thatvery large number of graduates from various disciplines are making a bee line for this sector. We are able to create this impact by a sustained effort to create awareness related this sector and how it can turn out to be a great place for a lot ofgraduates. Most graduates finding it difficult to find success in their area or discipline. With this objective in mind, we would request your permission to conduct a seminar cum awareness session on Banking as a career opportunity.

We anticipate your support in this drive to educate and empower students of your college.

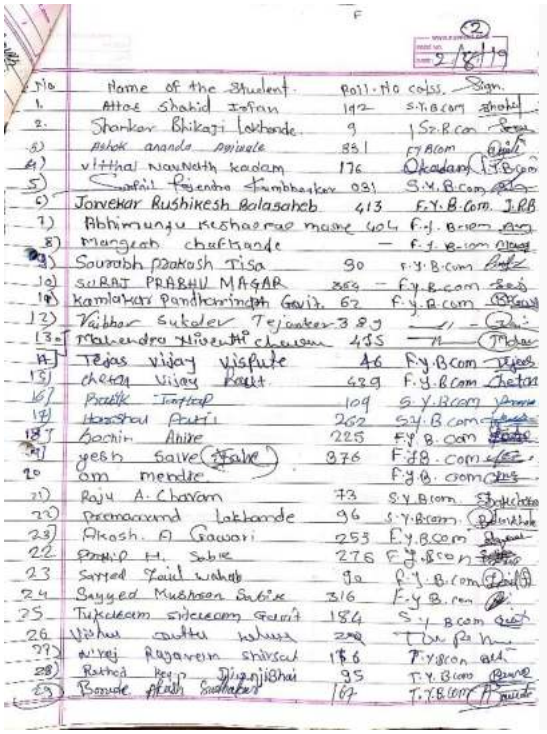

Thanking you
Yours Sincerely
Vijay Bambarde

# Report

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts, Science and Commerce College Panchavati, Nashik, Department of Geography conducted General Knowledge Examination on Date: 14th January 2020 at the time of examination Dr.P.Y.Vyalij, Head Department of Geography stated that Geography exams typically test a candidate's knowledge of the physical and cultural features of the Earth, including its natural resources, climate, topography, and human societies. Some of the specific topics that may be covered in a geography exam include Physical geography: This includes topics such as landforms, water bodies, climate zones, and natural resources. Candidates may be asked to identify and locate different types of landforms, such as mountains, rivers, and deserts, as well as describe the characteristics and uses of natural resources like minerals, forests, and fossil fuels. Cultural geography: This covers topics related to human societies and their interactions with the environment. Candidates may be asked to identify and locate different types of cultural features such as languages, religions, and customs, as well as describe how they have evolved over time. Overall, geography exams require a broad understanding of the physical and cultural features of the Earth, and test a candidate's ability to identify, locate, and describe these features accurately.

At the time of this occasion 149 students are present for the examination. For the conduction of these examinations all faculty members took efforts for the success of the examination.

## Department of Zoology

4th October 2019

In the Occasion of International Zoology Day, Department of Zoology organised guest lecture for **Mr. Ganesh Mali** Forest Officer Government of Gujarat our Alumni delivered his lecture on **"Preparation for Competitive exam for Forest Officer"** which were useful to all the Under Graduate and Post Graduate students of the department. During his lecture, he tried to cover all the aspects and made all the doubts clear regarding this topic and it was a very informative towards the competitive exam preparation. 42 participants marked their presence for lecture.

Principal Dr. B S Jagdale in his inaugural speech appealed the students to prepare themselves for accepting the challenges of life. Dr. Pragati Marakwar, Coordinator, Competitive Exam Cell gave the introduction and highlighted the objectives behind organizing the lecture. Prof. Dr. Mrunal Bhardwaj, IQAC Coordinator also extended their warm welcome to all the participants who joined this lecture.

**Following are the important topic which were covered in the session.**

**Forest Officer**

A forest officer is responsible for the management and conservation of natural resources. Their primary duties include planning and implementing forest management strategies. They monitor and protect woodlands from illegal logging, fires and other threats. They also conduct research on the health and productivity of forest ecosystems and participate in the reforestation and restoration of degraded or damaged forestlands. Forest officers may also enforce laws and regulations and can be responsible for issuing logging and other permits.

Dr. Sunil D. Patil, Head, Department of Zoology, in his opening remark of the lecture. Dr. Rekha S. Bhadane gave the introduction of the resource person. Mr. Lalit Tank engaged the session and Prof. Dr. Resham Bhalla proposed a vote of thanks at the end of the session. All the faculties of the department also shown their presence by attending the session and the students were present in large numbers for this lecture.

**About The Project**

To promote & strengthen science & technology Entrepreneurship, the NSTEDB, DST Has been funding various training programmes and projects on regular basis. However, due to the pandemic covid -19 and in view of various advisories and restrictions announced by the central and state government, it would not be practical to organize training programmes in conventional mode i.e. by having trainees in a class room set up. Therefore, to address this situation, it is proposed to provide funding support for conducting online and offline training programmes during the F.Y 2020-21 .

# INAUGURATION OF COMMPETETIVE EXAM CELL

The Competitive Exam Cell inaugurated in MGV's LVH College, Panchavati, Nashik-3, on August 30, 2018 at the hands of former successful students of the college.

The College invited Seema Khadangale, Ganesh Mali, Mahendra Kanade, Gopal Chudhari, Suneel Caudhari, Hemraj Bagul, the former students of the college, who had cracked various competitive exams as a Chief Guest for the inaugural function. These chief guests shared their experiences with the students:

PSI Seema Khandangale Said, "Being a daughter of a farmer I have struggled very hard in my life, but we can achieve anything in life if we work hard", and she also added that she was the first woman to be the PSI from her village.

STI Ganesh Mali said, "If you work hard in life you can be successful, there is no short cut to the success, and without struggle we get nothing 'no pain, no gain".

CA Mahendra Kanade said, "I had no idea about CA, when I was in college one my teacher apprised me about it.... And to be successful in life one has to be honest in whatever one does, there is no excuse to hard work."

Principal Dr. BS Jagdale congratulated and felicitated the students who have passed the various exams and said, "Students should strive hard in life to achieve their goals and not only that they should contribute in the development of the society" he also acknowledged that people from rustic & poor background had to work hard to achieve their goals.

Vice Principal Dr. A V Patil, Science faculty-incharge Dr. Nandu Pawar,Co-ordinator of Competetive Exam Cell Dr. Pragati Markwar, and all the members of the Competetive Exam Cell attended the function.

The function was anchored by Dr. N. N. Gadhe & Prof. Sangeeta Narwade, Prof. Sayali Magar gave introduction of the Chief Guests and Prof. Sujata Aher proposed a vote of thanks.

**विषय : 'स्पर्धा परीक्षा जनजागृती कार्यक्रमा' बाबत...**

मा. महोदय,

नमस्कार, आजच्या २१ व्या शतकामध्ये जीवनाच्या प्रत्येक टप्यावर स्पर्धेला सामोरे जावे लागत आहे. त्यामध्ये जीवनाला कलाटणी देणारा सर्वात महत्वाचा टप्पा म्हणजे रोजगार संधीची निवड हा होय.

सर / मॅडम आज अर्थव्यवस्थेच्या विविध क्षेत्रांमध्ये रोजगाराच्या विविध संधी उपलब्ध आहेत. त्यामध्ये प्रशासकीय क्षेत्र हे एक अतिशय महत्वाचे क्षेत्र आहे. प्रशासकीय क्षेत्रामध्ये विविध स्पर्धा परिक्षांच्या (UPSC, MPSC, SSC, IBPS...ect.) माध्यमातून रोजगारांच्या अनेक संधी उलब्ध आहेत, परंतु बऱ्याचदा महाविद्यालयीन शिक्षण घेत असतांना विद्यार्थ्यांना या स्पर्धा परिक्षांच्या माहितीचा अभाव असल्याने स्पर्धा परीक्षा देण्याकडे त्यांचा कल नसतो व परिणामी सुशिक्षित बेरोजगारांच्या संख्येत वाढ होते. म्हणून मी या पत्राद्वारे आपणांस विनंती करतो की, आपण आपल्या अभ्यासिकेमध्ये / संस्थेमध्ये 'स्पर्धा परीक्षा जनजागृती कार्यक्रम' राबवण्यास संमती द्यावी.

अशा करतो की, आपण ही संधी आम्हास द्याल व आपल्या अभ्यासिकेमध्ये / संस्थेमधील अनेक विद्यार्थ्यांचा प्रशासकीय अधिकारी बनण्याचा मार्ग सुकर कराल.

धन्यवाद...!

कळावे.

**विषय : 'स्पर्धा परीक्षा जनजागृती कार्यक्रमा' बाबत...**

मा. महोदय,

नमस्कार, आजच्या २१ व्या शतकामध्ये जीवनाच्या प्रत्येक टप्यावर स्पर्धेला सामोरे जावे लागत आहे. त्यामध्ये जीवनाला कलाटणी देणारा सर्वात महत्वाचा टप्पा म्हणजे रोजगार संधीची निवड हा होय.

सर / मॅडम आज अर्थव्यवस्थेच्या विविध क्षेत्रांमध्ये रोजगाराच्या विविध संधी उपलब्ध आहेत. त्यामध्ये प्रशासकीय क्षेत्र हे एक अतिशय महत्वाचे क्षेत्र आहे. प्रशासकीय क्षेत्रामध्ये विविध स्पर्धा परिक्षांच्या (UPSC, MPSC, SSC, IBPS...ect.) माध्यमातून रोजगारांच्या अनेक संधी उलब्ध आहेत, परंतु बऱ्याचदा महाविद्यालयीन शिक्षण घेत असतांना विद्यार्थ्यांना या स्पर्धा परिक्षांच्या माहितीचा अभाव असल्याने स्पर्धा परीक्षा देण्याकडे त्यांचा कल नसतो व परिणामी सुशिक्षित बेरोजगारांच्या संख्येत वाढ होते. म्हणून मी या पत्राद्वारे आपणांस विनंती करतो की, आपण आपल्या अभ्यासिकेमध्ये / संस्थेमध्ये 'स्पर्धा परीक्षा जनजागृती कार्यक्रम' राबवण्यास संमती द्यावी.

अशा करतो की, आपण ही संधी आम्हास द्याल व आपल्या अभ्यासिकेमध्ये / संस्थेमधील अनेक विद्यार्थ्यांचा प्रशासकीय अधिकारी बनण्याचा मार्ग सुकर कराल.

धन्यवाद...!

कळावे.

**विषय : 'स्पर्धा परीक्षा जनजागृती कार्यक्रमा' बाबत...**

मा. महोदय,

नमस्कार, आजच्या २१ व्या शतकामध्ये जीवनाच्या प्रत्येक टप्यावर स्पर्धेला सामोरे जावे लागत आहे. त्यामध्ये जीवनाला कलाटणी देणारा सर्वात महत्वाचा टप्पा म्हणजे रोजगार संधीची निवड हा होय.

सर / मॅडम आज अर्थव्यवस्थेच्या विविध क्षेत्रांमध्ये रोजगाराच्या विविध संधी उपलब्ध आहेत. त्यामध्ये प्रशासकीय क्षेत्र हे एक अतिशय महत्वाचे क्षेत्र आहे. प्रशासकीय क्षेत्रामध्ये विविध स्पर्धा परिक्षांच्या (UPSC, MPSC, SSC, IBPS...ect.) माध्यमातून रोजगारांच्या अनेक संधी उलब्ध आहेत, परंतु बऱ्याचदा महाविद्यालयीन शिक्षण घेत असतांना विद्यार्थ्यांना या स्पर्धा परिक्षांच्या माहितीचा अभाव असल्याने स्पर्धा परीक्षा देण्याकडे त्यांचा कल नसतो व परिणामी सुशिक्षित बेरोजगारांच्या संख्येत वाढ होते. म्हणून मी या पत्राद्वारे आपणांस विनंती करतो की, आपण आपल्या अभ्यासिकेमध्ये / संस्थेमध्ये 'स्पर्धा परीक्षा जनजागृती कार्यक्रम' राबवण्यास संमती द्यावी.

अशा करतो की, आपण ही संधी आम्हास द्याल व आपल्या अभ्यासिकेमध्ये / संस्थेमधील अनेक विद्यार्थ्यांचा प्रशासकीय अधिकारी बनण्याचा मार्ग सुकर कराल.

धन्यवाद...!

**Subject : Seek permission to conduct seminar / workshop for students of your college.**

Respected Sir / Madam,

Prabodhan Foundation is the NGO, running various activities in the educational field for the last 12 years. The organization is recognized by Govt. of Maharashtra to guide the tribal students, students from weaker sections and remote places in various areas like to motivate the students for studies, up gradation in academic performance and bring awareness about various competitive exams like MPSC, UPSC, MBA-CET, Bank Recruitment, Railway Recruitment etc.

Through the organization we conduct quiz, seminars, workshops in various schools and colleges all over Maharashtra so as to motivate the students, make them aware of the changing scenario in the syllabus and exam pattern at different levels.

The seminar/workshops are particularly conducted on following topics:

a. Career Options
b. Pattern of Competitive Exam
c. Short cut Tips and Tricks for Competitive Exams
d. Time Management Skills
e. Study Techniques and Stress Management

The quiz helps the students to understand the paper pattern for various competitive exams.

You may permit us to conduct the seminar on any of the above points and oblige us.

Warm regards,

Yours faithfully,

Conducted on - 26.12.2018

# भूगोल सामान्यज्ञान परीक्षेत विद्यार्थ्यांचे यश; १६८ जणांचा सहभाग

प्रतिनिधी । नाशिक

पृथ्वीवरील भौतिक व मानवी पर्यावरणातील रचना, क्रिया व आंतरक्रिया यांचा अभ्यास म्हणजे भूगोल. भूगोलात पर्यावरणाचे व्यवस्थापन, विविध संसाधन स्रोताचे जतन व संवर्धन यांचा समावेश होतो. प्रत्यक्ष क्षेत्र निरीक्षण, नकाशे यांना भूगोलात महत्वाचे स्थान आहेच. परंतु, सध्या दूर संवेदी कृत्रिम उपग्रहाचा वापर, हवाई छायाचित्रण तसेच भौगोलिक माहिती प्रणाली यांनी भूगोलाच्या निरीक्षण क्षमतेत क्रांतिकारक भर घातला आहे. त्यामुळे बदलत्या युगात भूगोल अभ्यासाचे महत्व अनन्यसाधारण आहे, असे प्रतिपादन प्राचार्य डॉ सी. जी. दिघावकर यांनी केले.

पंचवटी महाविद्यालयात भूगोल विभागांतर्गत आयोजित सामान्यज्ञान स्पर्धा परीक्षेच्या पारितोषिक वितरण समारंभप्रसंगी ते बोलत होते. या परीक्षेत महाविद्यालयातील एकूण १६८ विद्यार्थ्यांनी सहभाग नोंदवला होता. वरिष्ठ महाविद्यालय गटातून प्रथम पारितोषिक ७५१ रुपये व प्रमाणपत्र रवींद्र नाडेकर यास मिळाले. द्वितीय पारितोषिक ५५१ रुपये व प्रमाणपत्र स्वप्नील पाटील व तृतीय पारितोषिक ३५१ रुपये व प्रमाणपत्र किरण जगताप यांना मिळाले. तसेच कनिष्ठ महाविद्यालय गटातून प्रथम पारितोषिक ७५१ रुपये व प्रमाणपत्र प्रणय कर्डक प्रणय यास मिळाले. द्वितीय पारितोषिक ५५१ रुपये व प्रमाणपत्र निखिल शिंदे व तृतीय पारितोषिक ३५१ रुपये व प्रमाणपत्र मोहित फोके मोहित यांस प्रदान करण्यात आले. या समारंभ प्रसंगी विज्ञान शाखाप्रमुख डॉ. नंदू पवार, ग्रंथपाल प्रा एस. पी. व्याळीज प्रमुख पाहुणे म्हणून उपस्थित होते. कार्यक्रमाचे प्रास्ताविक व मान्यवरांचे स्वागत भूगोल विभागप्रमुख डॉ. पी. वाय. व्याळीज यांनी केले. प्रा. कविता घाटे यांनी आभार मानले. सूत्रसंचालन प्रा. प्रदीप दाते यांनी केले. कार्यक्रमाच्या यशस्वितेसाठी डॉ. पी. वाय. व्याळीज, प्रा. जी. यू. हरकर, प्रा. राहुल सदाराव, प्रा. स्वप्नील धात्रक, सुभाष मांडवडे यांनी विशेष परिश्रम घेतले.

## हर्शल बेळे : स्पर्धा परीक्षा मार्गदर्शन कार्यशाळा

**सकाळ वृत्तसेवा**

पंचवटी, ता. २९ : करिअर करावे ते स्वतःसाठी नाही, तर देशासाठी. विद्यार्थ्यांनी स्पर्धा परीक्षेचा अभ्यास करताना 'win-win formula' वापरावा. किती वाचावे, यापेक्षा काय वाचावे, हे स्पर्धेत महत्त्वाचे असते. सखोल आणि सर्वांगीण वाचन महत्त्वाचे आहे. स्पर्धा परीक्षेचा अभ्यास करताना वेळेचे नियोजन फार महत्त्वाचे असते. पाच वर्षांनंतर काय होणार?, हे आजच निश्चित करा, असा सल्ला आयपीएस अधिकारी हर्शल बेळे यांनी दिला.

महात्मा गांधी विद्यामंदिर संचालित लोकनेते व्यंकटराव हिरे महाविद्यालयातील स्पर्धा परीक्षा मार्गदर्शन केंद्रांतर्गत आठ दिवसांची कार्यशाळा झाली. कार्यशाळेच्या उद्घाटनप्रसंगी ते बोलत होते. प्राचार्य डॉ. बापूसाहेब जगदाळे अध्यक्षस्थानी होते.

श्री. बेळे यांनी 'Prime Time'चा संकल्पना विद्यार्थ्यांना समजावून सांगितली.

प्राचार्य डॉ. जगदाळे यांनी विद्यार्थ्यांना शुभेच्छा दिल्या. उपप्राचार्या डॉ. मृणाल भारद्वाज यांनी स्पर्धक विद्यार्थ्यांना मानसशास्त्रीय दृष्टिकोनातून 'Dark Spot' संकल्पना समजावून सांगितली. उपप्राचार्य डॉ. रवींद्र देवरे यांनी महाविद्यालयातील वेगवेगळ्या उपक्रमांबाबत माहिती दिली.

स्पर्धा परीक्षा मार्गदर्शन केंद्राचे समन्वयक डॉ. किरण पिंगळे यांनी प्रास्ताविकात वर्षभर केंद्राद्वारे झालेली व्याख्याने व कार्यशाळांची माहिती दिली. प्रा. प्रगती मारकवार यांनी सूत्रसंचालन केले. डॉ. नारायण गाढे आभार मानले. प्रा. संजय मांजरेकर, डॉ. रूपाली देवरे, प्रा. दीपाली चंद्रमोरे, प्रा. सुजाता आहेर, प्रा. ललित राऊत, प्रा. स्वप्नील धात्रक उपस्थित होते. कार्यशाळेत ३६८ विद्यार्थ्यांनी सहभाग घेतला.

## Competitive Examination Guidance: BK Group Lecture Series

Dr.Jayprakash Mandhre, Dr,Aniket Hire and Mr.Pranav Deore

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts Science and Commerce College Panchvati Nashik Organized Competitive guidance series with the coordination of BK Group of Education on the Occasion the resource persons talk on the following topics. Competitive exams are assessments that test an individual's knowledge, skills, and expertise in a particular field. These exams are conducted by organizations or institutions and serve as a means to evaluate an individual's potential and suitability for a particular role or position. They are applied to various sectors, including education, employment, and government services.The importance of competitive exams lies in the fact that they play a significant role in shaping the careers of individuals. They serve as a benchmark for selecting the best candidates based on their knowledge, ability, and potential. Competitive exams help to filter out candidates who do not meet the required standards and provide opportunities for deserving individuals.One of the primary benefits of competitive exams is that they promote merit-based hiring. Applicants are selected based on their performance in the exam rather than their personal connections or influence. This ensures that positions are filled by individuals who possess the necessary competence and skills required for the job.Competitive exams also help to improve the quality of education and knowledge dissemination. To succeed in competitive exams, individuals need to acquire a good understanding of the subject matter and have the ability to apply their skills to practical situations. This encourages individuals to develop a deeper understanding of the subject matter and apply it to their careers.The knowledge and expertise acquired through competitive exams are valuable for career development. Employers often place a high value on individuals who have succeeded in competitive exams as they possess the necessary skills, knowledge, and work ethic required for success in their jobs.

In summary, all resource persons asserted that competitive exams are crucial for career development as they help to promote merit-based hiring, improve the quality of education and knowledge dissemination, and provide opportunities for deserving individuals.

## Competitive Examination Guidance: BK Group Lecture Series

Dr.Jayprakash Mandhre, Dr,Aniket Hire and Mr.Pranav Deore

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts Science and Commerce College Panchvati Nashik Organized Competitive guidance series with the coordination of BK Group of Education on the Occasion the resource persons talk on the following topics. Competitive exams are assessments that test an individual's knowledge, skills, and expertise in a particular field. These exams are conducted by organizations or institutions and serve as a means to evaluate an individual's potential and suitability for a particular role or position. They are applied to various sectors, including education, employment, and government services.The importance of competitive exams lies in the fact that they play a significant role in shaping the careers of individuals. They serve as a benchmark for selecting the best candidates based on their knowledge, ability, and potential. Competitive exams help to filter out candidates who do not meet the required standards and provide opportunities for deserving individuals.One of the primary benefits of competitive exams is that they promote merit-based hiring. Applicants are selected based on their performance in the exam rather than their personal connections or influence. This ensures that positions are filled by individuals who possess the necessary competence and skills required for the job.Competitive exams also help to improve the quality of education and knowledge dissemination. To succeed in competitive exams, individuals need to acquire a good understanding of the subject matter and have the ability to apply their skills to practical situations. This encourages individuals to develop a deeper understanding of the subject matter and apply it to their careers.The knowledge and expertise acquired through competitive exams are valuable for career development. Employers often place a high value on individuals who have succeeded in competitive exams as they possess the necessary skills, knowledge, and work ethic required for success in their jobs.

In summary, all resource persons asserted that competitive exams are crucial for career development as they help to promote merit-based hiring, improve the quality of education and knowledge dissemination, and provide opportunities for deserving individuals.

To,

**Honorable Principal,**

Dr. B.S. Jagdale Sir.

L.V.H College

Nashik

**Subject: Permission for conducting seminar at your college premises for S.Y. and T.Y. Commerce, Art students.**

Dear Sir/Madam,

ICA was founded in 1999, and began its journey with the sole mission to provide high quality services at affordable prices to the masses. As part of our mission, we have already shaped thousands of careers and changed peoples' perception on Accounts & Finance education. As a result, today we are considered as the pioneer in Accounts & Finance training nationwide, with our top-notch training centers across the country offering the widest range of practical skill building training programs. With the experience of having trained and placed over 3.5 lakh+ students, ICA has been recognized as India's Best Vocational Training Institute.

With our presence in 100+ cities and a substantial presence in non-urban areas across India, we take pride in contributing to India's skill building initiatives.

**I am writing this letter on behalf of The Institute of Computer Accountants to seek your permission for conducting a seminar on "Carrier Opportunities in Accounts, Finance, Banking and Need to understand G.S.T."**

The topic is interesting to discuss and we also organize 45 minutes discussion, where active participation will make the students energetic. We need your support to carry on such initiative.

Thank you for your time.

Yours truly,

For, Institute of Computer Accountant, Nashik Center

**Subject:** To conduct 2 hour Awareness Seminar on **"Employment opportunities in Banking Sector"**

Respected Sir,

I would like to take this opportunity to introduce my organization to you. I represent Sankalp Education,which is the premiere institute for Banking Examinations, SSC, Campus Recruitments, MBA etc in Maharashtra. With the growth of opportunities in banking sector, it is observed that a large number of graduates from various disciplines are making a bee-line for this sector. We are able to create this impact by a sustained effort to create awareness related this sector and how it can turn out to be a great place for a lot of graduates who are finding it difficult to find success in their area or discipline. With this objective in mind, we would request your permission to conduct a seminar cum awareness session on Banking as a career opportunity.

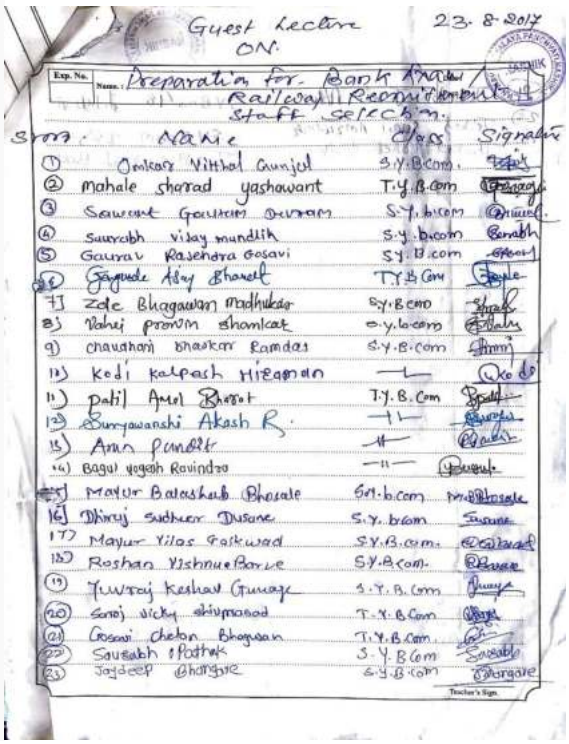

We anticipate your support in this drive to educate and empower students of your college.

Thanking you
Yours Sincerely

## Department of Zoology

4th October 2017

In the Occasion of International Zoology Day, Department of Zoology organised a guest lecture by **Dr. Shantaram Pawar** Doctor, Animal Husbandry Department, Nashik delivered a lecture on **"Veterinary Technician, Veterinarian and Veterinary Surgeon"** which were useful to all the Under Graduate and Post Graduate students of the department. During his lecture, he tried to cover all the aspects and made all the doubts clear regarding this topic and it was a very informative towards the competitive exam preparation. 29 participants marked their presence for lecture.

Principal Dr. B S Jagdale in his inaugural speech appealed the students to prepare themselves for accepting the challenges of life. Dr. Pragati Marakwar, Coordinator, Competitive Exam Cell gave the introduction and highlighted the objectives behind organizing the lecture. Prof. Dr. Mrunali Bhardwaj, IQAC Coordinator also extended their warm welcome to all the participants who joined this lecture.

**Following are the important topic which were covered in the session.**

**Veterinary Technician**

The primary duties of a veterinary technician include performing laboratory tests, taking and analysing samples, preparing animals for surgery and administering medications and treatments. They can also be responsible for educating pet owners on proper animal care and providing them with information on preventative measures to keep their pets healthy. Veterinary technicians may work in a variety of settings, such as private clinics, animal hospitals, research facilities and zoos. They work with a variety of animals, including small companion animals, large farm animals and exotic species.

**Veterinarian**

Veterinarians specialise in the diagnosis, treatment and prevention of animal diseases and injuries. Their primary duties include performing physical examinations, diagnosing and treating illnesses and injuries and performing surgeries. They also develop treatment plans and

prescribe medication as necessary. Veterinarians may work with other scientists to develop new treatments and preventative measures for animal diseases. They can work in a variety of settings, such as private clinics, animal hospitals, research facilities and zoos.

**Veterinary Surgeon**

A veterinary surgeon is a veterinarian who typically performs surgical procedures such as spays, neuters and orthopaedic surgeries on animals. They also diagnose and treat injuries and illnesses and work with other members of the veterinary team to develop treatment plans. Veterinary surgeons also keep medical records, issue medical certificates and provide advice to clients on how to care for their pets or livestock.

Dr. Rekha S. Bhadane, Head, Department of Zoology, in his opening remark of the lecture gave the introduction of the resource person. Mr. Lalit Tank engaged the session and Miss. Komal Jagzap proposed a vote of thanks at the end of the session. All the faculties of the department also shown their presence by attending the session and the students were present in large numbers for this lecture.

**Report,**

**Date: 14th January 2018**

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts, Science and Commerce College Panchavati, Nashik, Department of Geography has organized Lecture on Career Opportunities in Geography on 14th January 2018 on this occasion Head of the department Dr.P.Y.Vyalij introduce the programme on the occasion he stated that the importance of the Subject Geography helps us to explore and understand space and place - recognising the great differences in cultures, political systems, economies, landscapes and environments across the world, and exploring the links between them. It's more important than you think — learning geography will help you better understand news, help fight climate change, be a part of a global community, understand cultures, and learn history.

Resource person Prin.S.N.Nikam Sir asserted that Geographers are in demand in a world that faces natural disasters, overpopulation, climate change and other challenges — and the importance of their work is also reflected in the income. Professionals with a bachelor's in geography can pursue careers in cartography, surveying, research, and data analysis. With a master's degree, graduates can work as geographers, survey researchers, and urban planners. Candidates who pursue BSc Geography from a recognized university are eligible to appear for UPSC CSE, as graduation in any discipline from a recognized university is acceptable.

Dr.R.S.Deore expressed vote of thanks on the occasion of this programme all faculty members of Department of Geography were present.

**General Knowledge Examination**

**Date: 22nd January 2018**

General Knowledge Examination was held under the Career Counselling and Competitive Examination Cell on dated 22nd January 2018.At the time of quiz Dr.P.Y.Vyalij Head department of Geography said that the General Knowledge or General Awareness is an important and common section in all competitive and government recruitment examinations such as UPSC, SSC, Bank PO/Clerk, and so forth. Students prepare the General Knowledge awareness through Newspaper Reading; Newspapers play an important role in preparing for the GK section, as you can be aware of Daily Current Affairs also they can review Questions from previous year's papers and Focus on the Important Topics.

Prof.G.U.Harkar also interacted with students and stated that the process of career planning helps the individual to be aware of various career opportunities. Life as we see every day has become fast paced and highly competitive, having a career plan will give you clarity when selecting the right profession for you and also help you set your priorities right. A solid career plan is important in that it can provide a roadmap for your future. This, in turn, helps you make informed choices about your current job situation as well as future career moves. A broader career plan is also important when it comes to helping you stay inspired.

On the occasion Prof.S.P.Dhatrak express vote of thanks, all the faculty of Department of Geography were present for the Programme.
