Title of the Activity

Chemistry Practical Demonstration for 8th, 9th, and 10th Students

(Academic year 2019-20)
Organized
By

Department of Chemistry

Background of the activity:

Many schools in the Nashik district lack the chemical, apparatus, and instrument facilities to conduct the practicals for 8th, 9th, and 10th students. Therefore, these students do not get a deeper understanding of science subjects. Also, when students enter into college level, they do not possess the practical knowledge of the subject. Students also fear the subject due to a lack of practical knowledge. By keeping this view in mind, the department of chemistry arranges chemistry practical demonstrations for 8th, 9th and 10th students of nearby schools

Information:

In the month of February, the Science association organized the program for the 8th, 9th and 10th students of High school. Dr. T. B. Pawar and the M.Sc. students namely Pragati Patil, Ramesh Gavit, Amol kutke, Priyanka Shinde, Mahesh Thakare, Rutuja Garad, and Hemant Khambait went to K.B.H. Vidyalaya Pavan Nagar, Nashik. We arranged and demonstrated all the experiments of the ninth and tenth standards of the syllabus. The students also participated and some of the students performed the experiments by themselves under our guidance. The principal and the science teacher were supportive of the team from L.V.H. College Panchavati Nashik, and they

appreciate us. The students were very happy, appreciated, and demanded such a program every year. Through positive feedback from students, they were satisfied and enjoyed the science experiments.
