Annual Report 2021-22

The Modi script was the main script for writing in Marathi language. This script was used alongside the Devanagari script from 13th century to the middle of the 20th century when the 'Balbodh' style of the Devanagari script was promoted as the standard writing system for Marathi. Numerous Marathi historical documents are in Modi script and these old historical documents are very important for research in history as well as study of history. In this connection, Modi script certificate course has been started in the history department from the academic year 2011-12. The Department of History organized Modi script training program under the skill-based course from 17th January to 17th February 2022 as well as exam on 17th Feb, 2022 under the guidance of Resource person Dr. Anjali s. Vekhande. The training was attended by 50 students from the college.

Also, the Coordinator Dr. Pragati Marakwar provides guidance to Students about historical documents, archives, etc. She also informed about the employment opportunities available in this regard. The principal of your college, Dr. B.S. Jagdale wished students for successfully completing the course.
