Certificate course in Financial Mathematics & GST

Annual Report 2021 – 22

The National Skills Qualification Framework (NSQF) organizes qualifications according to a series of levels of knowledge, skills and aptitude. These levels are defined in terms of learning outcomes which the learner must possess regardless of whether they were acquired through formal, non-formal or informal learning.

As a part of skill development of the students towards financial aspects the college has proposed a certificate course in the field of Financial Mathematics and GST under NSQF from the academic year 2020 – 2021.

During the academic year 2021 – 22 a certificate course in “Financial Mathematics & GST” in the field of mathematical science were held enthusiastically. The eligibility criterion for the said certificate course is UG and PG student of any branch. In academic year 2021 – 22 the course were conducted in online mode for which 38 students are enrolled for the said certificate course.

The subjects conducted in this course are beneficial to the students in the field of finance, banking and especially GST. This course contains three subjects viz., Mathematics (FMGT-1), Finance (FMGT-2) and GST (FMGT-3). Each course carries four credits. The examinations were conducted for the course on the basis of theory and practical's, results declarations on the basis internal and external marks.

In overall, these two academic years was fruitful, thanks to all FMGST faculty members and students who made this certificate course a successful.
