## **Disabled-friendly, barrier free environment**

The college has disabled friendly campus and avails adequate infrastructural facilities for these students. There is a ramp facility at the entrance of the college from where the students can enter in the college safely. There is one more ramp facility to have an entrance to the Commerce and Arts faculty building. For the Science faculty building, there is a facility of lift that leads to all floors where there are classes and laboratories. Thus, the physically disabled have easy access to classrooms and laboratories.

The Principal's cabin and the Office is on the first floor of the building. Thus, physically challenged students can complete the admission process and related activities without any obstacles in the way. The disabled student has easy access to the principal's cabin too. Since the library of the institute is on the second floor of the building the lift facility can comfortably lead the physically disabled students to the library too. The conference hall of the institute is on the first floor where all seminars, conferences, guest lectures of renowned speakers and all cultural programs are conducted. The physically challenged students can easily participate in all academic and cultural programs. Apart from there is a wheel-chair facility which is rarely used. There is a drinking water and washroom facility on every floor for the convenience of the students.

The enriched library of the institute has user's friendly facilities for physically challenged students. There are 28 Braille Scripts, slate and signature balls for blind students. The institute's newly developed virtual library is essentially user-friendly for physically challenged students. Through the virtual library of all audio-video lectures, study material in educational CDs are availed to the students.
