

National Conference
on
“Recent Trends in Fractional Calculus: Theory and Applications”

Mahatma Gandhi Vidyamandir's, Loknete Vyankatrao Hiray Arts, Science and Commerce College, Panchavati, Nashik – 422003 and BCUD, Savitribai Phule Pune University, Pune have jointly organized the 02 days National conference on “Recent Trends in Fractional Calculus: Theory and Applications” from 10 / 03 / 2016 To 11 / 03 / 2016.

The main theme of the conference was to aware the faculties and students about fractional calculus which is the recent topic in the field of Mathematics along with the applications.

The inaugural of the conference were done by the hands of Prof. Dr. V. S. Gejji (Head, Department of Mathematics, SPPU, Pune) and Prof. Dr. R. Elangovan (Department of Mathematics, Annamalai University, Tamil Nadu) along with Prin. Dr. B. S. Jagdale. During the inaugural, Prof. Dr. V. S. Gejji has delivered a Key – note address to the participant by giving the information on Fractional Calculus and its recent branches. Following the key – note address, Dr. D. D. Pawar (Dept. of Mathematics, SRTMU, Nanded) have explained the recent development in the field of integral transformation via fractional calculus.

The second day of conference were full of experiential learning in the field of fractional calculus by Dr. D. B. Dhaigude (Department of Mathematics, R. T. M. University, Nagpur), Dr. B. R. Sontakke (Department of Mathematics, Paithan College, Paithan), Dr. S. B. Gaikwad (Department of Mathematics, NACSC, A'nagar) and Dr. K. C. Takale (Department of Mathematics, Bytco College, Nashik).

The conference was attended by 173 participants across the nation. Dr. A. P. Bhadane [Convener] and Mr. S. M. Chinchole [Co – ordinator] have taken efforts for making the conference successful.
