MESSAGE TO TEACHERS

The student who visits us is the most significant factor of our campus. He does not interrupt our work but is the very purpose of it. We do not favour him by our services but he favours us by availing us an opportunity to serve him.

शिक्षकांसाठी संदेश

आपल्या महाविद्यालयात येणारा विद्यार्थी हा आपल्या शैक्षणिक संकुलाचा प्रमुख घटक असून तो आपल्या कार्यातील व्यत्यय नाही तर आपल्या सेवाकार्याचा तो उद्देश आहे. त्याला सेवा देऊन आपण त्याच्यावर मेहेरबानी करीत नाही तर तो आपल्याला सेवेची संधी देऊन उपकृत करत असतो.

Hon'ble Mahilaratna Pushpatai V. Hiray,

Former Minister of Maharashtra State

& President, Mahatma Gandhi Vidyamandir, Nashik

We have been guided by our inspirational Motto Bahujan Hitay, Bahujan Sukhay, the path laid down by our founder fathers Late Karmaveer Bhausaheb Hiray and Late Loknete Vyankatrao Hiray. Accordingly, education for the masses has been our commitment, and we have introduced many welfare schemes for our students. This year, relevant to the changing social and global scenario, we are switching to the Autonomous College status to be able to equip our students more effectively to be part of the mainstream of education.

Hon'ble Samajshri Dr. Prashant V. Hiray,
Former Minister of Transport and Protocol, MS
& General Secretary, Mahatma Gandhi Vidyamandir, Nashik

Adaptability to change has been a remarkable feature of the Mahatma Gandhi Vidyamandir. The transformation from a traditional institution to the Professional Education Institution is a testament to our adaptability. As a response to the recent challenges in the field of education, we are going to opt for the status of an Autonomous College. The status of Autonomy will widen our scope to provide need-based knowledge and skills to our students. With the status of Autonomy, we hope to transform the institute into a center for Research and Development. The students pursuing higher education in our institute will become part of the R&D center and contribute to the development of the nation.

Prin. Dr. B.S Jagdale

Our college has a long tradition of skill-based and job-oriented education. The Founder and Promoter of the college late Loknete Vyankatrao Hiray was the pioneer of vocational education. We continuously strive for an appropriate placement of our students. For this, we run multidisciplinary and interdisciplinary Programs. We also train our students for local job opportunities through Diploma and Certificate Courses based on jobs in local industries. Now we wish to widen our sphere and prepare our students for global job opportunities. Our target is to equip students with 21st-century Skills so that they can explore jobs at international levels. Therefore, from the academic year 2025-26, we are going for the status of an Autonomous college. We believe that the Status of an Autonomous college will provide us with a broader scope to develop all types of employability skills in our students. We wish to incorporate in our syllabi knowledge and skill components required for Competitive exams and research. We also intend to align the syllabi with the local as well as global industries so that every student seeking admission to our college will have assured employment, entrepreneurship, or start-up.
